Stirling Timmy carries out project

Randy Sararas, who has been Stirling's 1972 Timmy for Easter Seals, has been carrying on an interesting school project. He collected pictures of Timmies and Tammys that appeared in the newspaper. He mounted the pictures on a road map in his classroom showing from where each one came. Randy wrote to Timmies at Belleville, Trenton and Mount Elgin. He wrote to Tammys at Lindsay, Peterborough and Campbellford. Randy was rewarded with letters from several other crippled children. From the article in the Stirling News-Argus, Randy heard from Dr. J. William D. Cornett of Doylestown, Pennsylvania, who brought him into the world 17 years ago at Belleville General Hospital.

Randy watches the newspapers for other articles related to his letters. He read of the doctor in Montreal who received the 1972 annual Royal Bank award. As he reads of other disabled adults Randy writes letters. By seeing what others can do with disabilities it helps Randy to learn to be independent. Randy is presently attending Centre Hastings Secondary School, Madoc.

Also included in Randy's souvenirs is a poem composed by Noel Stockton and read at the Stirling Timmy night. The poem is written below.

GRATITUDE
There is no spectacle so gay
As that of watching children play;
And yet no sight can stir the heart,
Like those who cannot take their part.

The uncomplaining ones who face,
A life encased in metal brace,
Who know the will, but not the joys,
Of playing with other girls and boys.

The hidden ones who live in gloom,
Their only world a darkened room,
Whose minds, some circumstance has made,
To dwell a lifetime in the shade.

And there are those who have no sight,
Whose lives are dark as darkest night,
And yet can smile with quiet glee,
At things that we may never see.

So those of us who rant and rave,
About the way our kids behave,
Should pause a little while each day,
And thank the Lord they act that way.

For many parents would enjoy,
The antics of a normal boy,
Who pray that God would give them powers,
To have their kids behave like ours.

Council discusses village planning

Stirling council Monday night designated areas of the village for future development over the next eight or 10 years, in consultation with members of the local Planning Board. The decision was made following recent discussions with an official from the Department of Municipal Affairs regarding Stirling's official plan. The Department, in agreement with the Ontario Water Resources Commission, has determined that Stirling will only be allowed what is termed "fill-in" growth until

Local and Personal

Mr. and Mrs. William Milne of Fergus and Mrs. Ruby Gill of Campbellford were dinner guests of Mr. and Mrs. George Carlisle on Sunday.

Dr. Mildred Koonan, Rock Island, Ill., was guest speaker at the Women Teachers' supper meeting in Tweed on Wednesday evening, April 26. Dr. Koonan spent a few days with her parents, Mr. and Mrs. Burton Morton.

There is an extension to the sewer lagoon system, which is currently being planned. This means that only owners of lots located on existing water and sewer facilities will be issued building permits. Studies have also indicated Stirling will have a population of about 2,000 by the year 1980, and where this expansion will be allowed was Monday's topic. Peter Anderson, manager of Greer and Galloway Consulting Engineers, from Belleville, presented council with a map which showed the proposed sewer extensions and related growth land to that. About 100 acres was selected in different areas. The selections must now go to the department for approval.

Once the official plan is approved, the accompanying zoning bylaw will be amended to match. As an example, the bylaw allows for a building permit, and fail to understand why one can not be issued. Under the official plan, there are rigid restrictions where building will be allowed and should anyone wish to build anywhere else, it will be denied. All during the lengthy negotiations with Queen's Park over this plan, council has taken the position that once in force, the plan will be enforced.

The 22nd annual Festival of Sacred Praise began on Monday at St. Paul's United Church and will conclude with a Stars of the Festival concert on Saturday evening. The results of classes conducted until noon Tuesday are as follows: (results are given for the first, second and third place winners in each class. Some classes had only one or two entrants. The results for the remaining part of the festival will be published in next week's issue of the News-Argus).

Anglicans hold youth conference in Stirling

(By THOM REYNOLDS)
The "real me" had a chance to stand up during the weekend when Hastings County Anglican Churches sponsored a Youth Conference at the Junior Public School here.

The theme for this fourth annual conference was "will the real me, please stand up." Youth church groups from the area discussed this theme using discussion provokers, four sessions presented by Stirling, Trenton and Belleville youth groups and by Rev. John Uttley from Christ Church in Belleville.

Sessions on finding one's own self, understanding others, gaps in communicating were presented by the youth groups using folk songs, films, skits and plays. The Sunday morning session was led by Rev. John Uttley with the topic, "relating as Christians to the world."

Up to 50 youths stayed in the school over the weekend with "not all necessarily members of a church" said Rev. Charles Staples, rector of St. John's Anglican Church in Stirling.

The young people from the area planned and conducted all the talk sessions during the weekend and on Sunday morning they conducted an experimental eucharist at the morning worship service at St. John's Anglican Church.

The youth during spare time on the weekend made use of the school's sports equipment for games of volleyball and badminton. "This has been the best place so far for the conference with the good facilities," said Rev. Uttley. The conference has been held other years in Trenton, Belleville and Kingston.

Other ministers at the conference were Rev. Michael Caswell, Trenton; Rev. Peter Teit, Belleville and Rev. David Hawkins, Wellington.

The closing session and evaluation was held on Sunday at a

Stamps Quartet coming to Stirling

Appearing Wednesday, May 10, at 8 p.m. in the Stirling Theatre direct from Nashville, Tennessee, will be the Stamps Quartet.

Started in 1924 by the late V. O. and Frank Stamps, the Stamps began with four singers and one musician but now include five singers and three musicians.

J. D. Sumner, a gospel music giant with his great booming bass voice has carried the progress of gospel music from the streets of Nashville to the top of the driving founding force that have brought the presentation of "Gospel Festival U.S.A." into being.

The Quartet itself, is made

up of Don Sumner, who also handles the musical arrangements; Ed Enoch, Gary Buck and Richard Starban, Nick Bruno, another feature singer is one of Gospel music's most popular talents. The very capable musicians include Duke Dumas, lead guitar and bass man Kenny Hicks, J. D. Sumner and the Stamps Quartet not only present something new for young audiences, but retain that familiar sound that for so long has been synonymous with "The Stamps."

Above all, they feel a bonus in presentation. That bonus is the message of Christ, their goal, prayer and dedication is that God's Kingdom may be enhanced by their efforts.

Party lines all but invisible

Five Quinte area politicians spent last Thursday evening, April 20, with the Belleville and District University Women's Club and a handful of interested citizens being affably agreeable on most issues.

Fielding questions posed by moderator, Mrs. E. A. Manderville, were the Hon. George Hees, Progressive Conservative member of parliament for Prince Edward-Hastings; Richard Lunn, New Democratic Party candidate for Prince Edward-Hastings; George Cunningham, Liberal candidate for Prince Edward-Hastings; E. G. Brethour, N.D.P. candidate for Hastings and Robert Temple, president of the federal Liberal Association.

All panelists agreed that controlled election spending was good and would be welcomed by all candidates. Not only did Mr.

Hees agree, but based on his personal observations, he suggested the adoption of the English system wherein a rural candidate has 3 cents per rural and about 2 cents per urban voter to spend.

"It's practical and sensible," said Mr. Hees. "They could afford only one mailing, and had to do door-to-door canvassing, and attend meetings every night. The candidates had to present themselves personally to the voters and that's how it should be. If a winner was found to have spent more than the prescribed amount on his campaign his election was nullified."

When asked by Mr. Lunn, "What is the advantage of the present system, that it has been retained?"

Mr. Hees replied that like the

weather everybody talks about it but no one does anything about it.

All five politicians favored removing abortion from the criminal code, but Mr. Temple was firmly against abortion on demand, noting that it is a very emotional subject. "Like capital punishments, it splits party ranks."

Women in public office would be and are welcomed by all five who had nothing but praise for the existing ones.

Mr. Cunningham said, "It's the feeling of women, not men. Women don't want to get involved in seeking political office, only to find they don't get the support they expected."

He cited the comments made to him by a female university student, active in politics, that most Ontario electors seem to feel that a woman's place is in the home.

With some slight dissent along usual party lines there was agreement on questions re our auditor-general's usefulness, a need for a more effective and equitable welfare system, and the fairness of bilingualism in our federal civil service.

On the question of concern over Parliament as an institution, is its power waning? Is the media the only effective opposition weapon against majority government?

Are we creating a more powerful and less democratic office for the Prime Minister with our use of expert advisors and appointed committees without an independent voting House?

Mr. Hees feels that T.V. particularly has caused an evolution in Canadian politics.

"Parliament has always been and is dominated by strong individuals," was Mr. Temple's view.

Said Mr. Brethour, "Trudeau is taking all the powers away from other members of parliament and has handled it on his own."

"Trudeau hasn't the feeling in his bones for parliament, which after all is a British institution, transplanted here, rather inefficiently," was Mr. Lunn's comment.

Over refreshments the panelists engaged in many ardent discussions.

Boost income over feed cost with a Purina

milking ration that's right for your herd

Every good dairyman looks for ways to increase his income over feed cost. One sure way is to increase the return over feed cost . . . by getting maximum production from each cow.

Feeding for 100% production may increase your feed costs. But when you give your cows a 100% chance to milk their best, chances are you'll boost production . . . and lower the cost of producing each 100 lbs. of milk at the same time.

We'd like to help you set up a feeding program that's right for your herd . . . whether it's a Purina complete milking ration . . . or one that makes efficient use of your roughages and home-grown grains.

Give your herd a 100% chance to milk their best. Call us today. Or stop in and see us at the sign of the familiar red and white Checkerboard.

Festival of Praise

An event which has become synonymous with Stirling is under way for the 22nd time.
We refer, of course, to the Stirling Festival of Sacred Praise, sponsored by St. Paul's United Church and a festival committee.
At a time when secularism appears to be gaining the upper hand in many spheres, the praise festival stresses the spiritual side of life with its emphasis on the Scriptures and the hymns of the Christian Church.
St. Paul's Church and the festival committee deserve commendation for establishing Stirling's reputation as a community which takes positive steps to promote Scripture reading and excellence in the singing and playing of religious music.

Decline of hockey

Watchers of professional hockey on this continent may have to wait for another generation before the calibre of the game returns to pre-expansion levels.
The disparities between the established and the expansionist clubs were never more evident than during the Stanley Cup playoffs this year. The newer teams were never in the running.
Then there was the case of the Chicago Black Hawks, an established team which was lumped in with the fledgling western division a couple of years ago.
The Hawks had no trouble knocking off Pittsburgh, but when it came to the real test (a series with one of the older clubs) they wilted. Lack of competition from their weak rivals in their own division no doubt contributed to the feeble effort in the semi-finals.
And now with a new league scheduled to start in the fall, the calibre of the game can only deteriorate further as the good players are spread thinner and thinner.
For us fans, we may as well dig in for a long wait before the quality of pro hockey returns to the level of pre-1967.

Do You Remember?

25 Years Ago

A real estate deal of interest was completed this week when Mr. J. Hannah purchased the property of J. Scott, Front St. W. Mr. Scott has purchased a farm on the sixth concession of Sidney Township and is taking possession this week.

Sunday night a severe frost hit this district, with the thermometer hitting the low twenties. Cold weather has held back growth this spring and the season is unusually backward.

On Thursday evening, April 17th the Carmel Young Adult's Class met at Mr. and Mrs. Jack Armstrong's. President Jack Armstrong was in charge of the programme which opened with the hymn, "Jesus is Tenderly Calling Us Home," followed by prayer by Rev. R. W. Barker, the Scripture, I Samuel 8, was read by Albert Hubble. The topic, based on the Scripture, was ably given by Mrs. Harry Brown.

Stirling and district friends of Morley C. Clarke, son of Mr. Francis R. Clarke, will be pleased to learn that after two years at Emmanuel College, Toronto,

65 Years Ago

The "water-wagon" made its first appearance on our streets for the season on Tuesday last.

The month of April just passed has been one of the coldest on record. It was 3.4 degrees below the average, while March was 5.1 above the average.

Mr. Ed. Ashley, who has been employed with Mr. W. R. Mather for some time, left on Saturday last to fill a position with the Ritchie Co. of Belleville.

Mr. Urbane Heath received on Tuesday morning a pair of pure bred Tamworth pigs from a noted breeder at Grafton. He believes it pays to keep the best breeds.

An acceptable change is made in the mode of taking oaths - placing the hand on the Bible instead of pressing it to the lips. The penalty remains, of course, for false statements.

A Weekly Meditation

By Rev. Charles Staples
St. John's Anglican Church
There is a hymn in one of the hymn books, recently published entitled, "Lord of the Dance." It uses the symbol of the dance to portray Jesus. For some people, this attempt to modernize Christianity will appear distasteful, if not confusing and puzzling. It will be asked, "How can Jesus be described as a dancer?"

Perhaps sometime you will get the opportunity to read this hymn over and reflect on what it is trying to say. When I did I discovered I was forced to think more profoundly about the events in the life of Jesus than I was presently doing. I found myself beginning by asking, "What is a dance, anyway?"

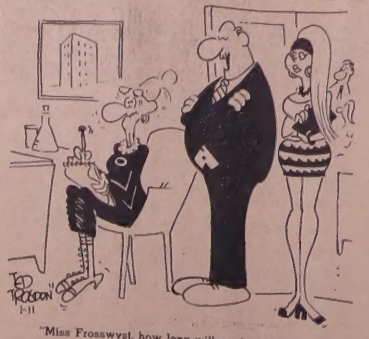

Surely a dance is nothing more than an activity by two people (usually) in which the persons try to make the body move to the rhythm of the music. In this particular context, the music referred to must be the events in the world by which God is shaping history and by which He is making Himself known.

Then the "dance" is the rhythm or music created by the religious activity of God. And the hymn, Lord of the Dance, is describing Jesus as Lord of that activity. Perhaps a decade ago, Church people might have rejected the idea of associating Jesus with dancing. For some, dancing may still have some immorality associated with it. But for the great bulk of the population, dancing is a means of enjoyment, a way of celebrating, a form of relaxation. Perhaps then this symbol of the dance can speak more meaningfully to a greater number of people about the Resurrection of Jesus than some of our more traditional symbols.

LORD OF THE DANCE
I danced in the morning when the world was begun.
And I danced in the moon and the stars and the sun,
And I came down from heaven and I danced on the earth
At Bethlehem I had my birth.
I danced for the scribe and the pharisee
But they would not dance and they wouldn't follow me.
I danced for the fisherman, for James and John.
They came with me and the dance went on.
I danced on the Sabbath and I cured the lame.
The holy people said it was a shame.
They whipped and they stripped and they hung me high
And they left me there on a cross to die.
I danced on a Friday when the sky turned black
It's hard to dance with the devil on your back.
They buried my body and they thought I'd gone.
But I am the dance and I still go on.

Vaccinations to be resumed

Owing to the recent epidemiological developments, the officials of the Ministry of Health of Ontario now advise that the usual programs of Smallpox Vaccination of Children be re-instituted. Accordingly, the Hastings and Prince Edward Counties Health Unit will offer the Vaccine to

children of approximately 13 months of age in its Clinics, and in the Fall of 1972 offer re-vaccination in the Schools. The Vaccination of travellers will be carried out as required by the International and Canadian Regulations which vary from time to time.

Merrie Bowlers mark season's end

The Merrie Bowlers held their banquet at Island Park on Wednesday, April 26. Nellie Smith returned thanks after which a delicious meal of hot roast turkey, with all the trimmings, was enjoyed by 24 members.

Ruby Tompkins thanked Ruth Potts and her staff for preparing and serving a lovely meal.

Dilly Montgomery, president, welcomed the girls and conducted the awards, assisted by Nellie Smith, with trophies and gifts going to the following: high aver-

age, 189, Helena Osting; high triple, 735; Ruth Glover, high single, 836; Jean Andres.

Team standings: 1st place team was the "Scot-ties" with 135 points. The captain was Linda Barron and the members were Lorna Wrightman, Nellie Smith, Helena Osting, Lillian Heasman and Alice Melton.

The second place team was the "Poodlies" with 117 points. Captain of this team was Willy de Jong and team members were Doreen Ackers, Tillie Jeffries, Lillian Arbuckle, Jean Andres, and Ruth Glover.

The third place team, captained by Isabel Hutcheon, was the "Rovers" with 92 points. The players of this team included Dilly Montgomery, Olive Miller, Mildred Fraser, Ruby Tompkins, and Irene Potts.

Betty La Rue was captain of the fourth place team, the "Terriers." The team ended the season with 75 points and members

were Eleanor Adams, Barb Noble, Florence Parsonson, Marion Palmer, and Bessie Hewton.

Sixteen members received mugs for perfect attendance. Nellie Smith received a mug for most improved average and Tillie Jeffries received a crying towel for low game.

Pins were given to our "300 and over" club.

Draws were made and Nellie Smith won a shampoo and hair set, donated by Debbie's Charm Salon; Lorna Wrightman won a coarser set donated by the trophy company; and Lillian Heasman won a quart of oil donated by Shell service station.

Mugs were given to our three spares. Pins were given to all by Noble's Drug store.

Election of officers was held

during the business meeting and the new slate for next year consisted of Dilly Montgomery, president; Nellie Smith, vice president; Florence Parsonson, treasurer; Ruby Tompkins, secretary; and captains, Lorna Wrightman, Mildred Fraser, Isabel Hutcheon and Willy de Jong.

An evening of court whisk followed with high score going to Marion Palmer and low score to Florence Parsonson. Lucky numbers were won by Linda Barron, Eleanor Adams, Betty La Rue, Doreen Ackers and Irene Potts. Isabel Hutcheon voiced appreciation to Dilly and her staff for a very successful season of bowling.

A special thanks to the News-Argus for printing our news for 1971-72.

Village may issue vehicle permits

The village clerk could become the new issuer of motor vehicle licences in Stirling June 1st, as a result of action taken at council Monday night.

Council was approached to take over the issuing after the previous applicant had turned it down. The reason for an immediate decision is that the present office at Stirling Lumber is to be closed May 31.

In discussing the work, it was felt that for the balance of this year, with two people on duty part of the time, there would be no problem. It was also felt that the profit from the work, estimated at about \$2,800 per year, would pay a secretary's salary at least part time, and this help has been needed in the past.

Once the location is approved by the Department, the hours of sale will be advertised.

Dedication at St. John's

Recently at St. John's Anglican Church, three former students of Stirling returned, to make a presentation of a sacred vessel in memory of their mother and step-father, the Rev. Benjamin and Mrs. Byers.

In a very impressive but brief ceremony on Easter Day, Mrs. Dorothy Doogan, now of Toronto, on behalf of her two sisters, Mrs. Kathleen Brink and Mrs. Marion Payne, presented to the Church Wardens of St. John's a beautifully hammered sterling silver chalice. The St. Dunstan chalice which resembles the chalice used in the Communion Service differs in that it has a lid and is used to hold the wafers of bread at the time of Communion of the congregation.

Mr. Byers was rector of St. John's Anglican Church during the years of 1905 to 1933, the longest tenure of rectory ever held here. It was during his time that the present Rectory was bought, and much of the present decorative furnishing in the Church was purchased.

At Tuesday's meeting some of the girls did their Kim's games and others did woodcraft signs.

The Guide weekend camp will be held on May 19-21 at Waupoos near Picton.

Former Stirling man honored

On Sunday evening Mr. and Mrs. Basil St. Pierre entertained about 25 friends of Cecil Macklin now residing in Toronto, at their home on Front Street, Stirling.

The hostess read an appropriate address and Gordon Bailey, on behalf of the guests, presented him with a diplomat suitcase. Mr. Macklin made a suitable reply and Mrs. St. Pierre served delicious refreshments.

After a social time the guests left wishing Cecil many happy years in his new home.

Council seeking advice on property

The legal effect of a village bylaw versus an agreement signed a year later is the quandary Stirling Council is seeking legal opinion on, after failing to get one when they asked.

Last month, council asked the clerk to get an opinion from village solicitors, Cameron and Ord, about the validity of the agreement, and how binding it is. The lawyers answered in effect that they had talked with Donald Rodgers, with whom the agreement was drawn, and he said that the property located at the north end of Rodgers Drive had not been sold.

Reeve Robert Anderson and council were upset at this reply, because, to quote the reeve, "if we had wanted to talk to the

owner, we would have asked him here."

The matter of debate is just how far council should go if the subdivision is further developed. So far, the village has paid most of the cost of the street construction, installed sewers and done upkeep on the road, which it has not year officially taken over.

With the speculation that the land has been sold, council wants to determine its responsibility, as any other subdivider would have to pay for all these services. Mr. Rodgers has already extended the sewer and water lines at this expense.

Council voted to get another legal opinion before anything else is discussed.

Concert orchestra coming this Sunday

The Eastern Ontario Concert Orchestra returns to Stirling on Sunday, May 14, after a long absence. Every year the orchestra tries to visit as many places as possible so that people can get to see them. In the last few years the EOCO has played to audiences in Trenton, Brighton, Belleville, Madoc, Norwood, Tweed and Campbellville. The musicians do not play for material rewards but rather applause.

The orchestra was started 12 years ago by its present conductor and director, Stephen Choma, with the aid of the Bata Shoe Company. Since that time the orchestra has concentrated on the training and teaching of musicianship. Each year many of

the players are new as many have to leave annually to continue their education or occupations. This means that Mr. Choma has the unenviable job of starting over every year. But he has courageously persevered in the unending struggle towards perfection.

Much of the music is of the popular vein. The program for the Stirling concert includes many pieces from The Sound of Music, West Side Story, Mary Poppins and Love Story. "Unlike orchestras in larger centres, we can't do solid classics because people wouldn't have no back," says Stephen Choma. "Visiting small communities is a challenge because there, country music is the baby."

Stirling should be proud to have so many of its citizens as musicians in the orchestra. This community is well represented by Len Lambert, Stuart and Bill McLaren, Bruce Glendinning, and three members of Bill Grant's family.

News-Argus contest starts next week

A "Spot the Merchants" contest starts next week in The Stirling News-Argus and will run for six weeks during which there will be 50 prize winners each week.

Photographs of local merchants or their employees will appear each week with clues to their identity. Shoppers will receive entry forms when they purchase from participating merchants.

There is no limit to the number of prizes a shopper may win up to the maximum and there will be a total of 300 given away during the contest period which will extend into late June.

Readers and shoppers should watch the "Spot the Merchants" ads and clues in the News-Argus and the signs in store windows. If they read the ads and patronize these local merchants they will be eligible for the prizes. Many of the advertisers will be featuring weekly specials and citizens are being encouraged to shop locally.

The winners names will be published weekly in the News-Argus. Some firms participating in the contest are:

- Bob's Wear
- Burrell Jewellers
- Charm Beauty Salon
- Jim Edgar's B.P.
- Hoyt's Grocery and Variety
- John's Dairy Store
- Montgomery's Shell
- Mouch's Crest Hardware
- Noble's Rexall Pharmacy
- Stirling P. L. Building Centre
- Shaw's Shoe Store
- Stirling Motors
- Stedman's Dealer Store
- T.T.S. Brand Saddlery

The Stirling tax rates for 1972 will remain almost identical with those for 1971, following the budget-setting meeting of council last Wednesday.

The residential rate will be 22.45 mills compared with 22.50 last year and the commercial and industrial rate moved from 24.60 a year ago to 24.75 this year. This means taxpayers will notice a very slight change either way in their local tax bill, but the total to pay will increase about \$50 for residential taxpayers, as the basic shelter grant from the Ontario Government has been discontinued.

This year's rate was held almost the same as last, despite an increase in the county school board levy of about 2.4 mills. Reeve Robert Anderson felt council was able to hold the line be-

cause the village has a small administration.

Total assessment this year is \$7,554,494, split into \$5,635,340 for farm and residential and \$1,919,154 manufacturing and commercial assessment. The total amount required for all purposes this year is \$182,703,26, composed of \$174,028.06 real property tax and \$8,675.20 frontage tax.

A breakdown of the commercial rate shows 5.82 mills for the county; 9.98 mills for county school board; 8.95 mills for general purposes and 30 cents frontage. The same categories for residential are 5.82, 8.98, 7.65 and 20 cents.

The bylaw enacted to raise the taxes provides that the first installment will be due June 30 and the second December 1, 1972.

Stirling officially out of Quinte board

It was announced last week that Stirling's application to withdraw from the Quinte Planning Board had received provincial approval.

Within hours of the announcement, four other members of the board served notice that they will seek to withdraw - Trenton, Murray township, Brighton township and Brighton village.

Shortly before the announcement, Jack Bush, chairman of the Quinte Planning Board, spoke at a meeting of the Stirling Chamber of Commerce on Wednesday evening. Mr. Bush, who is reeve of Sidney township, said he felt strongly that Stirling should remain a part of the Quinte planning area and cited the following reasons:

1. Ninety per cent of the residents of the village who work outside Stirling, are employed in the Quinte planning area.
2. Much of the out of town business which comes to Stirling comes from the south.
3. Growth pressures on Stirling come from the urban centres to the south.
4. Social activities for Stirling residents who go elsewhere are mainly to the south.
5. The village's drainage pattern is to the south.
6. Secondary students go south to go to school.
7. Road patterns lead directly

to the urban centres to the south. Speaking of Stirling's impending withdrawal from the Quinte planning area, Mr. Bush said the village's action may be the spark which sets off regional government in this area, if the provincial government sees that the municipalities in this area cannot plan together on a co-operative basis, the next step may be to impose regional government, he said.

Members of Stirling council also were invited to the meeting to discuss the village's stance on planning, but were unable to be present because the meeting came on the same night council was setting its 1972 current budget.

Permit issued for housing

A building permit in the amount of \$95,000 was issued on Monday for the construction of a second 12-unit apartment complex for senior citizens on Church Street.

McArd Construction of Ottawa will erect the building.

Ten of the 12 units in the first building are to be ready for occupancy in June.

Construction on the second stage is scheduled to start soon.

SOPRANO SOLOIST

Miss Lana LaChapelle, Stirling, was one of the performers at the Stars of the Festival Saturday night at St. Paul's United Church. Miss

LaChapelle entered the soprano solo - open class in the festival and sang The Lord's Prayer.

Chamber to survey local businessmen

The Stirling Chamber of Commerce will undertake to survey the local businessmen in an effort to ascertain whether they want some sort of organization to actively promote the community.

At a sparsely attended meeting in the Stirling Theatre last Wednesday night, it was decided that a survey was needed to find out what the business people would like to have the Chamber do, and whether they are willing to help.

Present for the meeting were Robert Carleton of Trenton and Jack Wilson, secretary-manager of the Trenton Chamber of Commerce.

Mr. Wilson strongly urged the local chamber to find out the

wishes of the businessmen before taking any further steps. A survey should either provide a list of projects to be taken, along with the names of those willing to assist, or else provide an indication that a businessmen's organization no longer is needed.

The Trenton chamber manager said he felt Stirling has a great deal to offer the buying public and suggested that the merchants should capitalize on their opportunities by staging such events as sidewalk sales, pancake breakfasts, Appreciation Days and so forth.

He said the Trenton chamber would be more than willing to

assist Stirling in any promotion it might wish to undertake.

Mr. Carleton said the local Chamber needs "someone with a ship" who can keep activities moving. He also urged the Stirling organization to make use of professional advisers who are available through the provincial Chamber organization.

Mr. Wilson agreed to meet with a survey team from Stirling yesterday afternoon. Results of the survey are expected to be known in advance of the annual Chamber of Commerce meeting on Tuesday, June 13, which may be held in conjunction with the weekly meeting of the Rotary Club.

CO-OP OILS AND GREASES

(By Mrs. Percy MacMullen)
Mrs. Roy Tucker was hostess at her home on Thursday, May 4 for the River Valley Women's Institute.

A bouquet of spring flowers decorated the president's table. Mrs. Roy Tucker, curator, presided over a long table of historical items which were on display. The Tweedsmuir History Book, the Hastings and Prince Edward Atlas, the new book "Hulton of Hastings" and many other items including pictures of school children and former teachers.

Several of the members brought articles for sale, including potted plants, jars of pickles and jam and various other items. Later they were sold and the proceeds placed in the penny jar.

The secretary distributed the new program and the winter issue of Home and Country. There were 21 members and one visitor, Mrs. Walter Hagerman, Newcastle, in attendance. Mrs. George Grills presided and opened with the Institute Ode, The Mary Stewart Collect and a welcome to all.

Mrs. Gerald Brooks read the April minutes and Mrs. J. L. Donohoe gave the financial picture. The programs for the Hastings' West District Annual, to be held in St. Paul's United Church on May 16 and the Achievement Day for 44 clubs "Sports Wear from Knits" on May 13 at 1:30 p.m. in Stirling Junior Public School, were displayed.

The correspondence included a letter from Miss Susan Bush inviting the group to attend Achievement Day, also thank you notes.

The delegates for the district

(By Mrs. Percy MacMullen)
Mrs. Harry McAdam spent the weekend of April 29 with Mr. and Mrs. David McAdam and family of Oshawa. They all visited Mr. and Mrs. Fred McAdam at Huron Park, Centerville, and Mr. and Mrs. Neal Tifford at Burlington. Her granddaughter, Sherry McAdam, Oshawa, accompanied her home for a few weeks.

Mrs. Kenneth Wever, Mrs. Burton Sharpe and Mrs. Herbert Smith attended the dessert luncheon on Wednesday afternoon in Holloway Street United Church, Belleville. Mrs. Patricia Clarke, associate editor of the United Church Observer, was guest speaker.

The wedding ceremony of Ida Mae Bailey, daughter of Mr. and Mrs. Archie James Bailey, and Richard Alan Findlay, son of Dr. and Mrs. Arden L. Findlay of Roxboro, Montreal, Quebec, was solemnized in Mount Pleasant United Church on Saturday, May 6, with Rev. W. C. Cox officiating. The reception was held at Island Park. Both are graduates of Queen's University, Kingston. Fred McAdam of Huron Park, Centerville, recently has been officially appointed as a bank manager.

Glenn Spencer has completed his studies at Waterloo College and has accepted a position at Weston, Ont.

Mrs. Percy MacMullen has completed the 22nd year of reporting the Stirling Festival of Sacred Praise. The festival was organized in 1950 under the leadership of the late Rev. A. E. Baker. This year the festival had 346 entries and there were 28 special awards. Several of these awards were given the first year through the promotion of Rev. and Mrs. Baker and have been continued through the 22 years. Several of the Mount Pleasant young people won high marks.

River Valley WI

annual in St. Paul's United Church on May 16 will be Mrs. George Grills, Mrs. Ernest Carr, Miss Alice Heasman, Mrs. Charles Wilson and Mrs. Roy Bush.

Plans were made to clean the Centre on May 24 and several members volunteered to assist. It was decided to hire the lawn mowed this season and to cheer up the hydro. The barn sale for June was cancelled.

Mrs. Vernon Harry is representing the institute at the office's conference in Guelph this week.

It was decided to change the time of the meetings and the new plan is for 1:30 p.m., a half hour earlier than usual.

The president presented Miss Alice Heasman with an institute badge.

CONVENOR'S REPORTS

Mrs. Ernest Carr told of the Festival of Sacred Praise and the recent Anglican Youth Conference in Stirling. Mrs. Gerald Brooks distributed cooking bags to all the members and explained the new idea.

Mrs. Percy MacMullen, public relations officer, brought a message from Mrs. Milton Parry, who expressed thanks for clippings received.

Mrs. MacMullen said the Federated Women's Institute of Canada had organized a new branch in the North West Territories called Norman Wells W.I. She also mentioned that the Friendship Link Institute in England had observed their 32nd birthday.

The A.C.W.W. convenor reported \$2.08 in the April penny jar. She displayed a copy of the Countrywoman magazine with the cover picture showing Iceland where everyone enjoys warm outdoor swimming pools in summer and winter.

She read an article telling about the hot springs and how they bubble from the ground. There are a little over 200,000 inhabitants in Iceland. They have 20 district circles, 233 societies and about 18,000 members interested in institute work.

Mrs. Roy Tucker presided over the program. She opened with a summary of the recent 75th anniversary celebration held at the Royal York Hotel which she attended. There were over 1,500 members and it was a memorable day.

Mrs. Tucker displayed a plate of the Adelaide Hoodless home, a copy of the W.I. history book, souvenir programs and other items.

The roll call was bring a date to remember from the River Valley community history. This provided a very interesting account of items of by-gone days.

Mrs. John Mackay read a paper prepared by her son Rod Mackay telling of his experience at the Royal Ontario Museum, Seventeen Loyalist students participated in producing a movie from a pioneer story entitled "Angel from the Forest".

Rod is the loyalist technical director in charge of the film. This is the first big production the college has undertaken and when completed it will be used in the Hastings County schools as a teaching guide on pioneer life.

Rod Mackay was one of three students to receive radio awards. Rod is employed by C. J. B. Q. radio. This story will be placed in the Tweedsmuir history book.

Mrs. Roy Bush displayed some of the new items that has been added to the curators book. She had received information from some of the early members and from teachers of the past.

She explained how each family could provide items of historical value. She showed a picture of the first organizer of W.I. work in this area and pictures of the first officers of the River Valley W.I.

Mrs. Percy MacMullen gave a humorous reading which she had prepared and given in 1949 at an institute meeting held 23 years ago at the home of Mrs. Thomas Hanna.

This reading used the names of all the members in attendance and provided much merriment.

The topic entitled, "A visit with Stephen Foster" was given by Mrs. Ernest Carr. While on a visit to the south Mrs. Carr and those with her had visited his memorial. He was buried in the family plot at Pittsburgh Allegheny Cemetery. His song "Jeannie with the Light Brown Hair" is inscribed on his monument. Colorful pictures were shown of his last resting place.

Mrs. Carr gave a graphic picture of his life from childhood. His interest in music began at the age of three and he was born July 4, 1826. Some 23 years later he wrote Oh Susanna.

Stephen Foster composed over 200 songs and was called the American troubadour. His life span was only 37 1/2 years but his talent was great. He is more honored today than he was at the height of his career. Many memorials have been erected to his memory. His single melodies characterized the songs he left for a busy restless world.

Mrs. Carr gave a vivid picture of his childhood life as written in a book by his niece and later she gave a description of many of his popular songs. Several were composed in New York and in 1864 the Pond Company published Beautiful Dreamer and stated that this was Stephen Foster's last song. He died January 9, 1864.

Mrs. Evan Bogart played several of his most popular songs which included Old Folks at Home, Nelly was a Lady, Open Thy Lattice Love, My Old Kentucky Home, Gentle Annie and Beautiful Dreamer plus many others. Mrs. Sheldon McIntosh sang "Jeannie with the Light Brown Hair".

Mrs. Carr's topic was both informative and interesting and made a good beginning for the new convenorship Cultural activities.

Mrs. Roy Bush spoke briefly of the books that were displayed. The ladies purchased the articles for the Penny Fund and all sang the Institute Grace.

Refreshments were provided by Shirley Carlsie, Essie Tucker and Kathleen Irwin.

Mrs. Philip Conley voiced appreciative thanks for the hospitality, program and lunch.

Senior citizen is chaired

There was the usual attendance at Senior Citizens on Thursday. Helen Fitchett, who was recently married was presented with two lawn chairs. Helen was really surprised and thanked all for the gift.

Mabel Free and Grace Thompson were welcome guests from Frankford. We congratulate Hub and Annie Faulkner on their 51st wedding anniversary.

By the way, President Fred, speaking of weddings, why not do your stuff while we're in the gift mood.

A nice lunch was served by Helen Fitchett, Mina Smith, Amy Schram and Murn Stapley.

Jessie Johnson and George Heasman had no trouble in getting the low prize, Evelyn Finkle was high lady and what do you know — dis ole Scribe was high man. It's the first time I really tried to win. I have been playing the gentleman and letting the rest have their turn first. Did you know that?

Back about 1894 eggs were 3 doz. for 25 cents, butter was 10 cents and milk, five. The butcher gave away liver and treated the kids to bologna. Women did not use powder, vote, smoke, or shake the shimie. Men wore whiskers and chewed tobacco. A free lunch was given with a 5 cent glass of beer. Men worked about 10 to 14 hours a day and a kerosene hang-lamp and a stereoscope in the parlor were luxuries. Folks lived to a good old age. I guess it was because they had a steaming plate of old fashioned oat meal for breakfast and never went to bed the same day they got up.

BARLEY PRODUCTION

Barley is a useful crop, particularly as feed ingredient although not as a substitute for corn in corn producing areas. Many farmers will be planting corn again this year of course, but considerably barley seed has been ordered, too. In fact, early indications are for an increase in barley acreage in 1972.

Those who are planting barley have likely purchased their seed already. If not, we can talk varieties for this area if anyone wants to call us.

What is just as important to your handling of your barley crop, Sow barley as soon as you can work up the land, as it will germinate at a lower temperature than corn. So plant it first before you get at other crops. You'll get good results if you plant barley at 2 bushels per acre in

a pure stand.

We recommend our Co-Op Big Bonus 15-12-5 starter fertilizer to meet specific needs of the plant. The high nitrogen ensures good yields, and with nitrate making up one quarter of the nitrogen content, you'll get available nitrogen early in the season. The rest of the nitrogen is in the ammonium form which becomes available as the soil warms up. It doesn't leach out of the soil either.

Phosphate, potash and sulphur content of the fertilizer is important to establish seedlings early and increased tillering, prevent deficiencies in nutrients, and maintain good growth on slender stalks.

Good management of your barley crop will produce more TDN than oats, and in fringe corn producing areas, can provide feed at a low cost.

Clarke T. Rollins answers criticism

Clarke Rollins, MLA for Hastings riding, has replied to charges of interference by Queen's Park representatives in reference to the village of Stirling being allowed to withdraw from the Quinte Planning Board. A portion of his statement appears below:

"The facts are: On September 14th, 1971, Stirling Village Council unanimously agreed that they wanted to withdraw from the Quinte Planning Board. Accordingly, they forwarded a letter to The Honourable Dalton Bales, requesting that they be deleted from said Board and become a part of the Hastings County Planning Board. A copy of this Resolution was forwarded to my attention, requesting my assistance in obtaining favourable consideration.

"Following the initial request, Stirling Village Council made representation to the Hastings County Planning Board, asking them to endorse their application to The Minister of Municipal Affairs. The regular meeting of the Hastings County Planning Board was held October 14th, 1971 and the Hastings County Planning Board unanimously agreed to support the Stirling request to withdraw from the Quinte Planning Board and so directed their Business Administrator, Mr. Carl Bateman, to advise the Honourable Dalton Bales (October 19th, 1971) indicating the reasons they felt it would be advantageous for Stirling to withdraw from the Quinte Planning Board. I also received a copy of this correspondence from the County Administrator.

"After receiving these copies and at the request of the Village of Stirling to support their application, I forwarded a letter to The Honourable Dalton Bales, indicating that I agreed with this request, asking that he give favourable consideration to same."

A presentation of Canada Council on 4-H club leadership award was presented to Mrs. Gerald Brooks of the River Valley club for her ten years of leadership. The presentation was made by Mrs. Elaine Struthers, Home Economist for the Department of Agriculture and Food.

Couple wed 25 years ago

Mr. and Mrs. John R. Donohoe, River Valley, were taken by surprise when they arrived home from church Saturday evening when 50 neighbors and close relatives were at their home to celebrate their silver wedding anniversary which is May 21.

Their home was beautifully decorated with pink and white streamers and wedding bells, potted plants and mixed carnations, anniversary cake and white candles. Jack and Marie were given a white carnation corsage and boutonniere by their daughters.

The bride and groom of 25 years have lived in River Valley all of that time. They have two daughters, Jean and Judy, both at home. Jean works in Trenton at the Ontario House and Judy at Belleville General Hospital.

Fred Donohoe of Belleville showed pictures of their recent trip to Rome.

Ed Heasman, Harry Morrow and Hadley Richardson spoke to the happy couple of their valued friendship as neighbors.

Pictures were taken before opening the gifts. Then Jack and Marie were asked to open their lovely gifts for which they thanked the donors and all who helped to make the evening one to remember.

A lovely buffet dinner was served and all departed wishing the couple many more happy anniversaries.

Recent wedding

Burton Rose of Desert Lake and Jessie Moore of Sydenham were united in marriage by Rev. A. B. Moffatt recently.

The groom's uncle and aunt, Mr. and Mrs. James Jones, attended the couple for the ceremony.

They will reside on Wolfe Island.

Horticultural Society meets

(By Mrs. Percy MacMullen)
The May meeting of Stirling Horticultural Society was held one week earlier than usual in St. Paul's United Church hall. Fifty-two people were in attendance.

Mrs. Floyd Armstrong opened with the Lord's Prayer in unison and the Gardener's prayer followed with a welcome to all. Mrs. John Doran read the April minutes. The correspondence included a special message re the Horticultural Seminar which will be held June 15-16-17 at Queen's University in Kingston. This is the first time that the Ontario convention has been held in this area. The societies of District number three have special duties to perform. The Stirling Society has been asked to make 1,000 corsages. Phil Dods of Cherry Valley is president of the 45,000 member organization. It is 30 years since this area has had a provincial president.

There are 230 horticultural societies in Ontario and most of them have special schemes for community beautification. President Dods says these societies do a great deal to make any community a better place to live. The members give endless hours of volunteer labor and most of their projects are by their own effort.

The theme of the convention is "International Understanding Through Horticulture." It is expected that 100 members of the Men's Garden Club of America will be in attendance. The special features include a bus tour of Kingston, a flower show by the Kingston society, special displays, an Ethnic program and a boat trip through the Thousand Islands.

Stirling Society are allotted five delegates and 11 ladies were chosen to attend. A donation of \$100 was made to assist the delegates who attend all the sessions. The registration fee of \$2.00 will be paid for each individual if they attend at least one full day.

The treasurer, Mrs. Grant Hubble, in her report stated that a new lawn mower had been purchased. Jim McDonnell will be in charge of the various parks. There are 111 members to date. Mrs. Luella Bronson reported she had sent out 10 cards and she read two thank you notes. Last week the president and her committee planted six rose bushes, donated by Ernest Munro, at the Cenotaph Park.

The next meeting will be held Monday afternoon, June 19 at St. Paul's Church. As it is 75 years since Stirling Horticultural Society was organized the members were asked to suggest ideas for a suitable celebration in July.

Mrs. Carman Nix reported that

the bus to Ottawa on May 23 was filled. However a second bus will be chartered if there is enough folk who are interested. Two plant sales will be held on May 13 and 20. At this time the members can pick up their premium box of plants if they hand in their membership receipt.

Several members volunteered to assist with planting the flower beds in various parks at a later date.

An invitation was received to attend Belleville Horticultural Rose Show at the Centennial High School, Saturday and Sunday, July 1 and 2 from 2 to 5 p.m.

Mrs. Lillian Hermon presided over the program and her group also furnished the refreshments.

Mrs. Lindsay Sills conducted the sing song of old fashioned songs with Mrs. William Fitchett as piano accompanist.

Mrs. Alex Tanner read an article outlining the various leaves of flowers like the Poinsettia and common house plants which are poisonous to children and adults if they are eaten.

Mrs. Berson Mills read a special poem. Mrs. Hermon read an article which stressed the value of spending time to talk to your flowers. They seem to respond to this extra loving care.

Mrs. Dave Hollinger brought a message for Mother's Day.

Mrs. Roswell Reid gave an informative story which gave a descriptive account of the vegetable garden which includes mixing herbs with the cauliflowers, cabbage, etc. and thus discourage the bugs.

Mrs. John Wallace conducted a contest "A Vegetable or a Fruit."

Mrs. Raymond McConnell won the birthday prize. For the social hour the group served doughnuts, cheese, tea and coffee, after which Mrs. Harry Jeffries voiced appreciative thanks for program and refreshments.

RIVER VALLEY WOMEN'S INSTITUTE

The Achievement Day, "Sportswear from Knits," was held Saturday afternoon, May 13, at Stirling Public School for 4-H clubs. Mrs. Elaine Strubbers, home economist, presented Mrs. Gerald Brooks of River Valley, who has been a leader for 10 years, with the Canada Council 4-H Leadership Award.

Mrs. Roy Tucker, president of Hastings West District Institute, presented county honor certificates to four girls and provincial honors to four girls.

Bryce Whyte gave the Dress Review for the River Valley "Knit a Roost" 4-H Club.

The president, Susan Bush, received the Certificate of Achievement and the Sterling Silver 4-H spoons for the members of the River Valley Club.

St. Paul's Faith Unit

On May 9, the Faith Unit of St. Paul's United Church Women held its meeting at the Manse. Mrs. May welcomed all who came. Thirty-five were present.

The leader, Mrs. Carman Fitchett, opened with a poem called "Listen" - "Is it helpful, is it true, is it worthy to be heard?" After the hymn, "Take Time To Be Holy," she led in prayer, and all joined in the Lord's Prayer.

Business included the Minutes; Treasurer's Report; Birthday Barrel and Prizes for the (Mile) donations; visiting report (27 house calls and 5 hospital calls); and announcements. Members were reminded to bring the Mittens with project money to the June meeting. Bales for overseas will be packed on May 24.

Mrs. Fitchett read an article about being on trial for being a Christian. "Would there be enough evidence to convict you?" Mrs. H. David led a Devotional Period prepared by Mrs. H. Wells who had to be absent. The theme was "Friendship." After the hymn, "What a Friend We Have in Jesus," Mrs. Sharpe led in prayer. Mrs. George Heasman read the scriptures from John 15, and Mrs. R. N. Smith read a meditation on the subject, "A solo, 'I Have a Friend,' was sung by Mrs. W. Fitchett, accompanied by Mrs. H. West. Miss Lenora Williams was in charge of the program. The subject was Africa, Zambia in particular, the first British colony in Africa to become independent. In 1964, This made a tremendous difference to the people, moving from tribal customs. The need for training and education was stressed. The work of the Min-dola Mission was described. There is still a long way to go before an unracial society is established. A lively discussion took place on various aspects of the subject.

Mrs. May sang a solo, "They'll Know We are Christians By Our Love." The meeting closed with the hymn, "I Need Thee Every Hour," followed by prayer led by Mrs. Fitchett.
A social time followed and Mrs. Carlele expressed the thanks to those who had taken part in the meeting and served the tea. Mrs. May then invited the ladies to tour the house, and view the recent changes.

Mount Pleasant UCW

(By Mrs. Percy MacMullen)
The May meeting of the Mount Pleasant United Church Women's group was held at the church hall on Wednesday evening, May 10, with 31 ladies in attendance.

Mrs. Milton Shaw presided and Mrs. Robert Hoard opened with a poem entitled "Mother's Day" and a hymn, "All People that on Earth Do Well" and a welcome to all.

Mrs. Raymond McConnell acted as secretary and read the April minutes. The roll call was answered with visitations to homes and hospitals.

Mrs. Burton Sharpe gave a detailed financial statement.

Mrs. Ross Jeffs reported the catering for the March and April group which included an auction sale and the offering on Africa night. Mrs. Elden Chapman read the correspondence which included thank you notes, an invitation to a Fellowship night by Bethel U.C.W., to be held later this month at Wellman's Institute Hall and an invitation to 4-4-4 Achievement Day on Saturday afternoon, May 13.

Mrs. Harvey Couch, convenor of the May group will be in charge of the coffee shop at Hastings Manor on May 17.

It was decided to have Mrs. Clayton Thompson of Hords, the newly elected president of the Bay of Quinte Conference U.C.W., give the message at the nine o'clock church service, on Sunday morning, June 4.

The convenors of the program for June have invited Mrs. George B. Ridley of Wingfield to be the guest speaker.

A message from the Potts family at Island Park was received.

Five dollars was donated to help send yarn to Angola and a parcel of yarn will be sent to Mrs. Burnside at Madoc.

Mrs. George Grills was in charge of the sale of more cook books which have recently been completed.

Mrs. Douglas Pyear brought a message on Stewardship. Mrs. Herbert Smith gave a synopsis of the address given by Mrs. Patricia Clark, associate editor of the Observer, at the recent Dessert Tea, held in Holloway United Church, Belleville. Her topic was "Changing Times". She stressed that the U.C.W. must change and stated there are many important things done by church groups. World Change inevitably affects the church and the U.C.W. members should look for new things and new ways. The program.

The town of Stirling has now decided that their garbage disposal area is out of bounds to any rural resident of Stirling Township. I have been in the habit of using this disposal facility in the same manner as I would use any other local facility including the Stirling shopping facilities. However, on Saturday morning, May 6th, I was politely told by the attendant at the disposal area that I could take my refuse to 'you know where' as long as I didn't leave it in their compound.

All rural residents have a certain amount of refuse that cannot be classed as garbage for the weekly pick-up, and it seems to me that our elected representatives failed to take this into consideration. The official word from Sidney Township is that I must haul this type of refuse to the disposal area at Bayside and when I get there, I must pay to dispose of it. Personally, I think this is a very inconvenient and ridiculous situation in view of the fact that this affects some Sidney residents who are practically living within the confines of Stirling.

The information that I received from the Stirling municipal office indicates that some type of an arrangement could have been made if Sidney Township so desired and the cost would have been minimal. I was given to understand that Sidney Township was only paying three hundred dollars for this convenience as of last year. Rawdon Township still has an arrangement with Stirling so their residents continue to use the Stirling facilities.

There seems to be a distinct lack of cooperation between Sidney Township and the town of Stirling in all areas of this nature. I think our elected representatives should take note as I know there are other Sidney residents in the Stirling area who are encountering this same problem.

Yours very truly,
Reg. B. Robinson.

**SUPPLEMENTAL NITROGEN**

ON CORN

The late spring right across Ontario may have upset your plans for a pre-seeding application of nitrogen on corn ground, where you couldn't get on the land early. If so, plan to give your corn crop a boost with aqua ammonia or anhydrous ammonia when your crop is in early growth stage.

Corn is a heavy feeder of plant nutrients, especially nitrogen, which goes into the grain portion of the corn plant and thus does not return to the soil in crop residues.

A mixed fertilizer won't be as useful to your corn seedlings after germination as will side dressing with aqua or anhydrous, because of the high nitrogen demand.

Apply the supplemental nitrogen anytime up to when the corn reaches about 18" in height. Aqua applicator knives which penetrate only 3 - 4 inches to the soil, will probably do less damage to corn roots than anhydrous applicator equipment that goes 8 inches into the soil. This makes aqua more desirable, particularly when aqua is applied under low pressure and so tends to be

safer to use than anhydrous ammonia.

Both forms of nitrogen are economical however, and will give your corn crop a good boost in growth and yield. Call us early to get your crop nitrogen needs satisfied.

SNARR'S MILL DEVELOPS NEW LABOUR SAVING PROGRAM FOR LOCAL DAIRY FARMERS

A major consideration to produce milk efficiently and profitably is the problem of available farm labour. Realizing an opportunity to assist dairymen to make better use of their time, SNARR'S FEED MILL

has encouraged bulk handling of dairy rations. This results in important savings of time, effort and labour, both when feed is purchased and every day at chore time.

Feed Service dealer CARL SNARR is your FEED SPECIALIST!

Your job is profitable milk production and farm management!

SNARR'S FEED MILL LTD. has now taken another step to assist more dairymen to gain the advantages of bulk feed handling. Weather-resistant, fibreglass FEED QUEEN bins are now available from SNARR'S. These attractive, durable storage units can be assembled

in a few hours right beside your stable. Bulk dairy ration is blown into the 7 ton bin from Snarr's truck, to be augered directly into your feed cart as required. It's the modern way to quickly, inexpensively streamline your on-farm-feed handling system. Call the mill for details.

Sidney mill rates down

1972 mill rates are down 3.5 mills in Sidney Township following approval of a new budget Tuesday.

Spending will increase by \$138,596, allowing the township to go ahead with plans for a new municipal garage and fire hall. Slevess will also be installed at nine intersections under Highway 2 for later connecting to main sewerage and water lines.

Residents of Batavia will pay the highest rates, sewerage facilities bringing the tariff to 134 mills for public supporting residents and 148.1 for public supporting commercial enterprises. Corresponding figures for those contributing to separate schools are 145.5 and 162.

In Belleville, the assessment to separate farm and residential ratepayers is 113.7 mills, to separate commercial ratepayers 128.7 mills. Trenton's separate rates are 117.2 and 132.6 mills. In addition, all farm and residential dwellers are required to pay a waste disposal fee of \$9, covering costs for the entire year. Last year's fee was \$8 for only part of the year.

Properties in lighted areas will be charged an extra sum depending on the location involved. Reeve Jack Bush was pleased with the new budget. "There are some added things, more than we had last year," he said, "but we still maintained lower rates." Another factor in the mill rate decline was a surplus of \$22,172 carried over from the 1971 budget.

A Weekly Meditation

By Rev. and Mrs. Edward MacDonald

I am writing a farewell message to the community of Stirling. For the past two and a half years we have enjoyed ministering in the village of Stirling. It is easy to become acquainted with the people of this community. Our last Sunday will be June 18 at Good Tidings Pentecostal Church. We will be going south as soon as we receive our visas. I have had the opportunity of participating in the community; some of these activities have been enjoyable.

We have one main message that we have been proclaiming here and will continue the same one, that is Christ is the Answer to all of life's problems. John 8:16, 17 "For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish but have everlasting life. For God

sent not his Son into the world to condemn the world; but that the world through him might be saved."

It is because of God's love and Christ doing the will of the Father that we can come to Jesus Christ and receive him as our Savior. Then we can rely on Him for all the needs of life. "CHRIST IS THE ANSWER."

Birds take trip

Mr. and Mrs. Harold C. Bird left Monday night for London, England where they will spend the next week.

Yesterday they were to visit Trafalgar Square and Piccadilly Circus. The entire tour will be in London and surrounding area. A trip is sponsored annually by IGA Wholesale for IGA dealers who meet certain sales quotas.

Mr. Bird is the proprietor of Bird's IGA, Front St., Stirling.

Hard choices ahead for regional plan

Provincial Treasurer Darcy McKeough said today that the Lake Ontario Region is facing "hard choices in the development of a regional plan."

The Region, which includes the eight counties of Durham, Halton, Hamilton, Lincoln, and Addington, Northumberland, Peterborough, Prince Edward, and Victoria, will be the subject of a provincial analysis Mr. McKeough will release on June 1.

Senior Citizens out in force

The Senior Citizens were out in full force on Thursday. Again we walked through eight rounds of progressive euchre with Edna Campbell and Ross Hoard taking it all. Martha Wood and John Holmes settled for low. Our thanks to George McMullen who provided a nice lunch.

Luella Bronson, Mary Cooke, Myrtle Tanner and Mabel Brooks did the serving chores. Lillie Heasman was the cake cutter.

The cake was presented by Percy MacMullen to his wife Florence who was celebrating her birthday. Last week we overlooked in this column that Fred Bell had a birthday too. Fred was one of the group who really started the Senior Citizens rolling in this district. Hope you both keep on getting older.

Upgrading services topic of address

Upgrading of services already existing and provision of new ones is the best way to attract new tourist dollars, was the theme of the address last night to the Highlands of Hastings Regional Tourist Council meeting in Trenton. The speaker was John Smith, parliamentary assistant to the Hon. John White, Minister of Tourism and Information.

Smith pointed out that over 320,000 tourists visited this area last year, spending slightly over \$5 million on goods and services. While this is a significant part of the area's economy, he pointed out that there are many ways in which facilities and attractions could be improved thus attracting more people and dollars.

He cited the following examples of improving the situation: more marinas; more publicity about existing historical attractions; the expansion of the Quinte-Jas-tings Trail to include winter activities; constant improvement of accommodation facilities; more information centres; more specific events such as highly successful Bancroft Gendore.

He outlined the government's policy of expanding studies and tourist operations and the fact that it will be sending experts to other nations to see how their programs are working and what competition we must meet to compete.

He concluded by emphasizing that businessmen in the area must concentrate on selling the entire area and what it offers, thus encouraging people to stay longer, rather than just visiting one specific place or function.

BLOSSOM TIME

Rotary walkathon raises \$2,000

Saturday was a day for exercising the legs and feet as 256 Stirling and area youngsters trekked 10 miles in the second annual Rotary Club's Walkathon.

The walkathon was in support of the club's Easter Seal Campaign for Crippled Children.

Last year's event saw participation from 161 walkers. Most of the walkers in this year's event were from the Senior and Junior Public Schools.

All but five walkers completed the circuit which started at the Senior Public School and moved along Church Street to the Campbell Road. From there, the walkers went out to the (Allan) Wingfield School house along the Campbell Road and then turned east along the fourth concession of Rawdon to the Mar-mora highway. The walkers were then on the home stretch into Stirling.

On a rough estimate taken by Rotarians at the finish line, they hope to receive over \$2,000 after pledges have been turned in to the schools in the next two weeks.

IODE bridge marathon held

A wind-up pot luck supper, for the players in the I.O.D.E. bridge marathon, convened by Mrs. Ed Warren and Mrs. R. Burgess, was held at the Legion Hall on Wednesday, May 17, 1971.

Mrs. R. Burgess who was games convener for the year, reported the winners, and the prizes, presented by the Regent Mrs. Carl Boslak, were as follows: 1st prize - Mrs. R. West and Mrs. D.M. Armstrong; 2nd prize - Mrs. G. Finkle and Mrs. D. Patterson; 3rd prize - Mrs. B. Bastedo and Mrs. R. Whitley.

After dinner (these girls can really cook as well as play bridge) ten tables of bridge played an evening tournament and the winners for the evening were: Mrs. Ray Mallory - high; Mrs. Doug Ackers - hidden score; and Miss Jessie Johnson - consolation.

After a summer recess a new bridge marathon will resume in the fall.

Scout service at ball park

The Stirling scout movement is to host this year for the Moira Valley District Church service. It will be held on Sunday, June 4, 8:00 p.m., at the ball park, Henry St.

Scouts and Guides are asked to gather at the senior public school at 2:30 p.m.

Visitors are most welcome to attend and be seated in the bleachers. The Stirling group committee will act as ushers. The offering to be taken will go to the Scout Brotherhood Fund which provides money to scouts facing any disaster that might strike their park such as a fire.

Duncan family holds reunion in Stirling

The Duncans from many parts of Ontario gathered in Stirling at the home of Mr. and Mrs. Arthur Duncan and attended worship at St. Andrew's Church, Stirling, sitting in the family pew where all the senior members of the family were christened more than 60 years ago.

John and Maria Duncan and six children arrived in Stirling in 1907 from England and the members and descendants have always considered Stirling their

home town. It was from St. Andrew's Church that the elder of the family, William N. Duncan, left for the Presbyterian ministry.

Among those attending the family reunion the past weekend at the Duncan home on John Street were Mr. and Mrs. Jack Duncan, Lyle Ave., Toronto; Miss Mabel Duncan, Kingston Road, Toronto; Mr. and Mrs. William Duncan, Jr., Sam and Kyle, Toronto; Mr. and Mrs. Kenneth Duncan and

son David, Guelph, Ont.; Donald Duncan and family, Toronto; Mr. and Mrs. Jack Wightman and son John, of Toronto.

The family spent most of the holiday weekend visiting familiar places in the area, as well as attending St. Andrew's Church in a group.

An interesting part of the visit was the re-union of Jack Duncan with an old classmate of Stirling Public School as they pleasantly recalled old times.

DUNCAN FAMILY REUNION

Several members of the Duncan family were in Stirling over the weekend for a family reunion. Pictured here

died a few weeks ago. Also present was Miss Edna Jinks of Toronto, a family friend of long standing.

Hastings West District Annual

(By Mrs. Percy MacMullen) The 71st annual meeting of Hastings West District Women's Institutes was held Tuesday, May 16, in St. Paul's United Church, Stirling.

Eighty-four ladies were in attendance and the theme was "Everyone is a Key Person." The district banner, naming the eight branches, and the Canadian flag were placed at the front with a bouquet of spring blooms on the president's table.

Stirling branch were the hostess group. Mrs. William West and Mrs. Alex Tanner were in charge of the registration and luncheon tickets. The branch president, Mrs. Everett Cooke, and vice president, Mrs. Arnold Wamnamaker, graciously welcomed the group as they arrived.

Each branch had a display table of antique items to show what was available 75 years ago. These included leaflets, pictures, scrap books, dishes and household items of by-gone days. One branch also showed a place setting of their new dishes and a modern rug. Another branch displayed their sewing. The Tweedsmuir history book was also on display.

Mrs. Sheldon McIntosh provided organ music as a prelude to the meeting.

Mrs. Roy Tucker, president, opened with a welcome to all, the Institute Ode, the Mary Stewart Collect and O Canada.

Mrs. McIntosh was pianist with Mrs. Evan Bogart of River Valley Branch as song leader, were in charge of the assembly singing throughout the day.

The first vice president, Mrs. Hudson Ketcheson of Wallbridge Branch, was officially welcomed.

Mrs. Ivan Clare of Pine Grove Branch, introduced the guests, who were Mrs. Stanley Bride of Fordwick, Ont., who is U.N. and International exchange secretary of F.W.I.C.; Mrs. Clifford Barber, Belleville, provincial board director and Mrs. Elaine Struthers, home economist. Other guests, who came later, were Mrs. Earl Onderdonk, R. R. 1, Carrying Place, alternate board director and Mrs. Russell Sills, secretary-treasurer of Hastings North District.

Mrs. Vernon Harry, secretary-treasurer read the 1971 minutes, the full financial report and the correspondence.

Mrs. George Striker gave the auditors report.

Mrs. Everett Cooke, Stirling president, gave the address of welcome and Mrs. Floyd MacInnes, Chatterton, replied. Mrs. Clifford Barber ratified the point of the eight district directors. Mrs. Percy MacMullen reported no resolutions.

Mrs. Roy Tucker gave an informative message of her year's work. She visited all of the eight branches in her district, also other branches in the area. On February 14 the district observed the 75th anniversary in Stirling Community hall with over 100 in attendance. On February 12 Mrs. Tucker attended the 75th anniversary of F.W.I.O. at the Royal York Hotel, Toronto. She found the work very interesting. Each of the branches had a representative give an outline of what was on their display table. The ladies were Mrs. Arnold Ketcheson, Bay of Quinte; Mrs. Lorne Reid, Chatterton; Mrs. Harold DeLor, Pine Grove; Mrs. Ernest Carr, River Valley; Mrs. Raymond Chambers, Stirling; Mrs. Gilbert Sills, Sidney South; Mrs. George Burkitt, Unlondale; and Mrs. Walter Johnston, Wallbridge.

Mrs. Roy Bush gave a very interesting message re the late Mrs. William F. Farley, Smith, field, who was an early organizer of institutes in this district. She was born August, 1845 and died January, 1942 in her 97th year and the interment was made in Belleville Cemetery. She was known throughout the years as "The grandmother of Women's Institutes."

Mrs. Bush recently received a newspaper clipping from her daughter, Miss Hazel Farley of Trenton, and a picture for the Tweedsmuir History.

She was guest of honor at the first area convention held in Belleville. Mrs. Farley organized River Valley W.I. in 1910. She gave a special course on household activities and demonstrated many new ideas to the members of women's institutes in this area.

Mrs. Clifford Barber, board director, had a large collection of pictures and leaflets pertaining to provincial, national and A.C.W.W. affairs.

She gave the highlights of the annual meeting of the provincial board directors of the Federated Women's Institutes of Ontario. The meeting was held in the King Edward Sheraton Hotel in Toronto with Mrs. Austin Zoeller in charge. The accomplishment included the 75th anniversary project of \$50,000 for the expansion of MacDonald Institute at Guelph, the revision of the handbook, the attainment of \$40,000, the purchase price for the Eland Lee Homestead.

There are 1,318 Ontario branches with 31,031 members. There are two competitions for citizenship and handicrafts and full particulars have been sent to each branch secretary. Mrs. Barber gave many ideas re the new handbook and other provincial items.

Mrs. Gordon Wilman told of the project, Ideas for Kitchens, and Mrs. R. Campbell outlined the project Sewing with Knits. The morning session closed with the Institute Grace.

The Stirling branch served a delicious luncheon in the banquet hall of the church. The tables were decorated in a scheme of blue and gold. The dessert was anniversary cake and ice cream.

The afternoon session opened with the hymn of All Nations and other songs.

Mrs. Gerald Irvine, district Tweedsmuir History curator, gave a resume of the work of the eight branches.

Some have had several meetings during the year. The Grade Four public school students spent a day at River Valley Centre. At one branch the three life members put on the program. Several institute women are members of Hastings Historical Society. There are three new curators in the district.

Mrs. Harold Regensburg, convenor of historical research and current events, stated that branch members had told the history of old articles, how the townships of Hastings County were named, how to gather material for a family tree and for current events. Items were given re the Bell Canada and my favorite page in the newspaper.

Mrs. Donald Irish reported Home Economics and Health. This included traditional food, a wig display, peach growing at Niagara and for health, care of the eyes to prevent blindness and how to relax.

Mrs. Percy MacMullen, resolution convenor, outlined what had been accomplished in this department. She urged each branch to read their handbook, and read Mrs. Parry's editorial in Home and Country. She hoped the members would have a resolution on each branch and have at least one meeting each year.

Businessmen told they need local press

From the Manitoba Chamber of Commerce Bulletin

The rural business community had better sit up and take notice because one of their greatest allies and supporters is in trouble. The rural weekly newspaper industry is now in a life and death struggle for survival, and business needs them every bit as much as they need business. This is not new but it has been brought sharply into focus when recently all the presses at the Souris Plaindealer became silent and Mr. Reg Sanderson closed the door on a newspaper that had been a powerful force for the community for many decades.

The problems that plague the weekly newspaper result from many complex circumstances. It may well be that the weekly has been left behind in today's demand for sophisticated and instant communication. It is quite possible that the weekly newspaper people will have to do some serious introspective thinking... and change to meet the challenge of the times. Like every other business, the weekly newspaper must be able to justify its existence through the merit of the product it offers for sale in the highly competitive market place of today.

We can make two clear statements of fact about the weekly newspaper and its value to the community. First, without a weekly newspaper, a community has no promotion vehicle and Chambers of Commerce and other community associations are practically beat before they start. Secondly, almost without exception, the weekly newspaper publisher is one of the outstanding community promoters. It would be difficult to replace such outstanding community leaders as Tom Wilkins of Killarney; Cec Sanderson of Russell, R.D. McKay of Lac du Bonnet, Bill Lipton of Carberry, Chas. Hawkins of Manitou or Fred Venables of Hamiota. This is only a partial list of men and women of the weekly press who are giving hours of volunteer time and probably too much free print space to the promotion of groups and organizations and progress of their home town.

So important is the weekly newspaper that Chambers of Commerce in Strathclair and St. Claude have had to start their own community paper because their weekly newspaper went under. The next time you decide to place an ad in a big city daily or a radio station or TV instead of your weekly, or the next time you knock the local "rag," just remember this — when they close down your weekly paper and the publisher moves on, you have lost the voice of your community and, without some form of communication — you're dead.

Stirling and district friends will be interested to learn that Miss Joan T. Pedley, daughter of Dr. and Mrs. W. H. Pedley, of Ottawa, was successful in winning three scholarships in the faculty of Arts at Queen's University this year.

Miss Pedley, who is a former pupil of the Stirling Public School, won a University Scholarship of \$100, the Robert Bruce Scholarship, and was joint winner of the William H. Nichols Scholarship in chemistry, \$40.

Messrs. Geo. Prince and Don McGowan, of Dawson Creek, arrived on Friday last for a visit at their homes here.

Mrs. Elizabeth Green, of Springbrook celebrated her 83rd birthday on Thursday last. Mrs. Green is very active and performs all her household duties. She received many cards and letters of congratulation.

Meighen Rodgers, son of Mr. and Mrs. Arthur Rodgers, Stirling, was successful in winning \$3,000 in the Quinte Radio Quiz over station CJDQ, Belleville, last Thursday evening.

Something unusual in horticulture, a double bloom Hepatica, was discovered recently by Mrs. Albert Fraser, of this village, while in search of May flowers in the Clarke woods in the Madoc Junction district. Mrs. Fraser dug up the plant and has transplanted it in her home garden, in the hope that next spring she will have a number of these beautiful little flowers.

Mr. Don Williams, Mutual Life Representative, was elected President of the Belleville Y's Men's Club at their annual meeting on Thursday evening. Other officers are Archie Boyd, Vice President; Gerry Hyde, Secretary.

Rowan Walker, son of Rev. and Mrs. W. H. W. Walker, a graduate of Stirling High School has been successful in his final year at O.V.C., Guelph and at Convocation Tuesday received the degree of Doctor of Veterinary Medicine.

Rowan is receiving a fellowship for Public Health course in Toronto University and is spending a few days at his home here before going to work in the Connaught Laboratory, Toronto.

In the Ann Arbor Hospital, about twenty of her friends gathered at the station to say good-bye and to wish her success in her new sphere of work.

The managers of the West Huntingdon Presbyterian Church have given the contract for cement steps and walks to Mr. James W. Cummings. The entrance to the Sunday School room is to be changed from the east side of the church to the south side.

It is announced that Mr. D. M. Stewart, Joint Manager of the Sovereign Bank, has resigned from that institution. Mr. F. J. Jemmett was recently appointed associate General Manager. It is probable that he will be appointed General Manager.

Thom Reynolds chosen for trip

By THOM REYNOLDS

For the 22nd consecutive year, the Rotary Club of Ottawa has sponsored a project to promote a better understanding of the meaning and responsibilities of Canadian citizenship.

For a period of four days last week, I had the honor to be part of a group of 288 senior high school students from across Canada taking part in the Rotary Club's Adventure in Citizenship.

The adventure was a four-day visit to Ottawa as guest of the Rotary Club of Ottawa and the National Capital Commission. I was chosen by the principal and teaching staff of my school, Centennial Secondary School in Belleville, to represent my school and the Stirling Rotary Club. The whole adventure was sponsored by the local club and by the Ottawa Rotarians.

Most of the students were either from Grade 11 or 12 level in school and either editors of their school paper or president of their student council. Students involved in the project were from all 10 provinces, the Northwest Territories and the Yukon.

One of the highlights of the adventure was a visit to the House of Commons where we were received by Alistair Fraser, Clerk of the House, and a visit to the Senate where the proceedings were described to us by Robert Fortier, Clerk of the Senate.

I had the opportunity to see a play from the opera of the National Arts Centre and had a guided tour through the National Gallery of Canada.

On the first evening in Ottawa, the group was thrown together with a square dance at the Sir John A. Macdonald High School in Ottawa.

On Tuesday, we heard a welcome address from the Right Honourable Lester B. Pearson at the Carleton University Southam Hall. That noon, we heard from Elmer Macintosh McKay, an MP from Nova Scotia. He spoke in place of Robert Sandfield who was committed to attend a budget meeting. That afternoon, we attended the RCMP Training Division at Rockcliffe where we saw the Musical Ride performed. Our supper guest was Commissioner W. L. Higgitt of the RCMP.

On Wednesday, we were honoured with a visit to Rideau Hall where we were received by His Excellency, the Right Honourable Roland Michener, Governor.

General of Canada. During the afternoon, the six OTC buses, escorted by five Ottawa motorcycle Police, stopped at the side of the Ottawa River Park. The excited group ran across the LeBreton Flats in the direction of 150 saplings which they planted and the affixed name tags to them. Ronald Basford, minister of urban affairs, assisted us with the planting.

At a dinner address that evening, Patrick Mahoney, Liberal MP from Calgary South spoke to us. This dinner was sponsored by the National Capital Commission. At each table, students from their own areas sat with the MP from their area and myself from the area sat with George Hees, MP Prince Edward-Hastings riding.

On the final day of our visit, we were presented with Citizenship Certificates by Gerard Pelletier, secretary of state. The presentation was made in the Confederation Room of the West Block of Parliament.

At noon on Thursday, a large farewell dinner was held in the ballroom of the Chateau Laurier. Present were all the adventurers and their Ottawa Rotarian host and hostess.

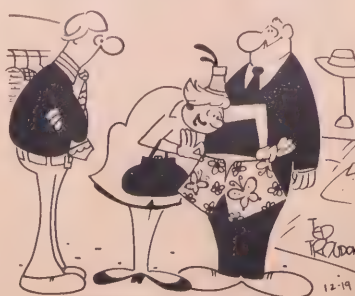

One student from each of the Provinces and Territories spoke briefly on the Adventure in Citizenship. Rt. Hon. Lester Pearson spoke following the students speeches. He said that of anything he has attended in this ballroom, and many important dignitary dinners he has, that nothing was more important than this occasion with such a mass representation of Canadian youth and tomorrow's Canadian adults. J. L. Fleck, chairman of this year's Ottawa Rotary Club's Adventure in Citizenship gave his words of farewell to the group.

It was an honor to be chosen to represent the youth of Stirling in Ottawa. More important than what I saw while in Ottawa, was that I saw it with, I saw the capital with a large representation of true Canadian youth. I saw Ottawa with youth from the territories, from the prairies, from the maritimes, and from the north.

We all had something in common, we were Canada's youth.

LET'S PLAN THIS THING TOGETHER

The Ontario Government needs your help to plan the future development of the Lake Ontario Region — the counties of Durham, Haliburton, Hastings, Lennox and Addington, Northumberland, Peterborough, Prince Edward and Victoria.

At a public meeting on June 1, Provincial Treasurer Darcy McKeough will release an analysis of the growth potential — and the related problems — in the eight counties.

Following this Report, we will want your opinions and views on how your Region should be developed so that people and government can work together to create the kind of place where you will want to live... and work... and enjoy life. Come and be part of a planning process.

THE SPEAKER: The Hon. W. Darcy McKeough.

THE PLACE: The Rock Haven Motor Hotel, on Highway 7 at the west city limits of Peterborough.

THE TIME: 2:00 p.m. until 3:00 p.m.

THE DATE: Thursday, June 1.

St. Andrew's group meets

Mrs. K. Tompkins opened the worship service. "Let us rejoice and give thanks for the many small things we have to rejoice about and the bigger ones will come," was one of the points brought out in the

devotional period by Mrs. Fox. She read Luke 15 as the scripture reading. These three parables reflect the very heart of the Christian message -- love for everyone. Prayer closed the worship service.

Mrs. Ward gave a reading, "Spring Cleaning," which suggested that we should do some spring cleaning in our lives as well as our homes.

Mrs. Gena Spry gave an article, "The Art of Life."

Mrs. William Hutcheon gave an account of the Leprosy Mission and stated they only have about one-seventh of their objective so far this year. "Don't throw used stamps in the waste paper basket, save them and hand them in."

The offering was gathered by Mrs. J. Johnston and dedicated by Mrs. Tompkins. The minutes were read and the roll call was answered by 17 members and one visitor.

Various items of business were discussed and plans were finalized for the Spring Rally of the W.M.S. to be held in the church late this month.

Mrs. Tummon was in charge of the study book, "Coming to terms with change in Africa." In one life span an African has lived through freedom, colonialism and now independence. Many countries have been torn by civil wars with the Western Powers providing massive armaments to one or both sides. The main results have been the millions of homeless refugees, Christians and churches are giving assistance in finance and personnel through the World Council of Churches. African Governments are committed to the creation of a shared society in both principle and practice. Some form of socialism is the only system able to provide an effective answer, but it is important to note that the socialism practiced in Africa is not the bureaucratic socialism of communism. Mrs. Tummon closed with some clippings on Africa.

The benediction was repeated and a social time followed.

Ivanhoe WI

The May meeting of Ivanhoe Women's Institute was held in the evening at the Huntingdon Towers ship hall at Ivanhoe. The president, Mrs. Dan Cooke opened the meeting with a poem, followed by the Institute Ode and Mary Shaw collected. Mrs. Millar read the minutes of the annual meeting and correspondence.

It was moved by Mary Sills and sec. by Margaret Haggerty that the Ivanhoe Institute take out a membership for the A.C.W.W. Magazine.

It was moved by Mrs. Ross and sec. by Mrs. H. Cooke that any member could be active at the District Annual.

It was our pleasure during the evening to have our club leaders from Crookston and Ivanhoe and their girls to display their work that they had done during the past year.

Mrs. Ann Pulman was the committor for the Ivanhoe girls club and she displayed and talked on the colour schemes for the bedroom and had a display on the table for everyone to see a collection of Mrs. Wilton and Mark Crookston 4-H girls, under their leadership put on a fashion show with Gloria Hicks as commentator.

The president thanked the leaders and their girls for the fine displays and E. Pollock presented Gloria Hicks and Margaret Sills with gifts for their County Honours and Ann Pulman and Mary Ann Kirby for obtaining their Provincial Honours. Ann Pulman has been given a 2 week trip to Nova Scotia and Mary Ann Kirby has won a one day trip.

Our guest speaker for the evening was Mrs. Donald Wilson and Mark, who gave a talk on her trip back to her home in Chili this past winter. She showed slides of her country which were very interesting. The president thanked Mrs. Wilson and Mark for helping out on the program.

Collection was gathered and the meeting closed with singing of the Institute Grace. Lunch was served and everyone enjoyed a social half hour.

Friends honor family

Friends and neighbors met at the home of Mr. and Mrs. Cecil Mack on Wednesday, May 10 in honor of Cecil, Madeline and Patricia on their departure to Winnipeg, following Cecil's transfer by the Entomology Research Branch of the Canada Department of Agriculture.

George Sutherland was chairman for a short program. After the chairman's remarks, Kenneth Broadworth led in community

singing. There were readings by Mrs. George Sutherland, Mrs. Kenneth Mumby and Mrs. Malcolm McCullen entertained with several musical selections.

Mrs. George Sutherland read the address. Carolyn Richardson presented Patricia with an engraved Bible in remembrance of her Rawdon friends and Glen Mastin made the presentation of personal gifts to Cecil and Madeline.

St. James CWL meets

On May 11 St. James Catholic Women's League met at the home of Mr. and Mrs. R. LaChapelle. The meeting was preceded by mass, celebrated by Rev. J.P. McGarvey with ten members and four guests present.

The reading of the League prayer was followed by the roll call, minutes of the previous meeting and the treasurer's report.

A letter was received from St. Mary's Parish Council, Kingston, requesting a donation towards new pews for a mission parish.

A list of names for putting flowers on the altar during the summer months will be placed at the rear of the church, however it was suggested that these be removed immediately after mass.

The possibility of having a bake sale in the near future was also discussed, but nothing definite was decided.

Members discussed the convention to be held in Kingston at the end of this month. Father McGarvey spoke about "Family Life," which was the theme of the May meeting.

Mrs. J. Ryan gave a suitable reading for Mother's Day. Mrs. R. Burley, a former member of this parish, was presented with a gift for which she suitably replied.

The June meeting, to be held at the home of Mr. and Mrs. S. Meeks, will be in the form of a barbecue, which will terminate the meetings for the summer months.

Father's blessing concluded all business, after which lunch was served by the hostess and Mrs. J. Forestell.

FOA MEETING

Wilfrid Forestell, Madoc, was the guest speaker at the May meeting of the Hastings County Federation of Agriculture, held in the Council Chamber, Tuesday evening.

Using picture slides and a remarkable memory for details, Mr. Forestell reviewed his trip to the mid western states of the U.S.A. in March 1971.

This trip, part by plane and part by bus, was sponsored by the United Co-Operatives of Ontario and arranged by Farm director Clare Burt, Brampton. Stops were made in Iowa, Nebraska, Missouri, Kansas City and the farmers viewed the beef industry from the beginning -- a baby calf -- to the finished product as found in the meat counter. All sizes of operations were shown from a small family farm to a huge feed lot where there were 16 miles of mangers to fill.

Mr. Forestell was introduced by Alex McCurdy and thanked by Charles Farney.

ATTEND DINNER -- Three local couples attended a testimonial dinner in Pembroke last Saturday for Garfield Raafaub, senior past grand master of the Grand Orange Lodge of Ontario East. From Stirling were Mr. and Mrs. Fred Bateman and Mr. and Mrs. Lorne Hagerman, also Mr. and Mrs. Clayton Burkitt from Spring Brook. Messrs. Bateman and Hagerman are past grand masters and Mr. Burkitt is grand auditor.

CALGARY CONVENTION -- Lynn Jones of Stirling and Bernard Hollinger of Foxboro, treasurer and deputy treasurer of the Royal Black Knights in Canada, and their wives, will be attending the annual convention in Calgary next week.

A NIGHT OFF -- Monday was an unusual night, a free one for Stirling councillors, who normally meet every two weeks. May had five Mondays, so this week was open. At least one councillor didn't read his minutes until almost at the village office Monday night. He was seen with briefcase walking west about ten to seven, and east again about ten minutes later.

VAULT PROBLEMS -- For most of the day Monday, the staff of the local bank was unable to enter the bank vault when one of the outside door combinations decided to act up. Tellers operated throughout banking hours with the cash on deposits, and this proved to be adequate. A repairman arrived and had the vault open by about 4 p.m.

Contest winners are announced

Barry Danford of Spring Brook was the big winner in the second week of the "Spot the Merchants" contest. He won \$5.00 vouchers from Stirling Motors, UCO Foxboro, and Bob Patterson's Men's Wear.

IS IT JUST A RUMOR?

Ten tables of euchre were on the go at Senior Citizens on Thursday. Miss Smith and Em Broadworth ended up sitting on top of the world while Ethel Duffin and Ross Hoard were down under. We were happy to welcome Murney Hicks as a visitor. Lil Hasman, Flossie Green, Jessie Johnson and Tilley Senior served a nice lunch.

Two of our male members (both eligible) along with several others attended the tulip show by bus last week at Ottawa. It is rumoured that the tulip display turned into a fourpail affair. For most of the day and at sup-

perine these two fellows were kinda kidnapped, by two beautiful damsels (also eligible). It must have put them in a gay mood for they say they sang most of the way home on the bus. I won't mention any names for Fred and Ross are both good friends of mine and I wouldn't be guilty of squealing on the bus. Doctor: "How's the patient who swallowed the spoon." Nurse: "He can hardly stir." dis ole Scribe,

B of Q conference held in Kingston

The Bay of Quinte Conference of the United Church of Canada, under the leadership of lay president John Block, a Kingston lawyer, wound up what the more than 350 delegates described as "the most stimulating session in years" in Kingston Thursday.

The annual conference saw several innovations ranging from a completely new ordination service, to an inter-presbytery volleyball tournament.

Conference paid tribute to the work of the president who was instrumental in promoting nine "faith festivals" throughout the conference, and various follow-up evangelistic enterprises. Mr. Block was succeeded as president by the Rev. John M. Smith, minister of St. Mark's Church in Whitby.

The Rev. Edward W. Horton of Pembroke was elected moderator, defeating three other candidates, the Revs. Norman R. Kelley of Peterborough, Ray A. Milley of Kingston, and Alex McDowell of Belleville. Mr. Horton will lead the banquet, a Sunday following the 1973 conference.

Four men were ordained to the ministry in Cooke's Portsmouth United Church Wednesday. Gordon Crossfield and Brian Yealand of Belleville, Clive Wilson of St. Olaf, and Kenn Lowe of Westmont, Montreal. Only Mr. Wilson is remaining in Bay of Quinte Conference, placed by the settlement committee in Centenary Church, Sharbot Lake.

In a completely new form of service, the four ordinands after ordination, assisted the presiding minister, the Rev. Joseph Price, in the liturgy and distribution of elements in the sacrament of Holy Communion. It is noteworthy that while only four were ordained in the conference, a total of 13 ministers retired.

With few exceptions, most business raised little controversy. The liveliest debate settled around a resolution introduced by the Communications Division Thursday morning, supporting the editor of the United Church Observer, the Rev. A. C. Forrest, in his editorial freedom to interpret political activities in the Middle East or elsewhere as he saw them. At the same time, the resolution regretted tension which has arisen with the Jewish community over certain of Dr. Forrest's articles. The conference affirmed its desire for understanding a brotherhood with Jewish people.

During the noon hour, both supporters and non-supporters of the resolution, not completely happy with the original product, got together to draft out an alternate one. It drew even heavier flak, and when it was finally passed on a split vote, delegates seemed disgraced as to whether the new resolutions was one of support for the editor, or a mild censure.

The conference forwarded a variety of memorials introduced by the presbyteries, to General Council, with varying degrees of support. These ranged from a

demand for the complete banning of all tobacco and liquor advertising and a call for General Council to reconsider the rather liberal stand it took on abortion two years ago, to demands for interest-free CMHC loans to assist Indian and Metis people with housing, in poverty areas, and the urging of United Church people to boycott consumer goods from countries practicing racist policies. Another memorial seeks greater freedom in responsibilities for student and lay ministers.

Guest speaker was the Rev. Colin W. Williams, an Australian, now Dean of Yale Divinity School, New Haven Connecticut. Dr. Williams brought three addresses to the conference, and two to conference ministers on "clergy day" Monday, another conference innovation.

General Council Representative, Rev. W. Clarke MacDonald, challenged delegates to a faith which issued into action. He looked out at the liquor industry which he described as Canada's No. 1 drug problem. He denounced distillers for "grab-

bating off prime advertising time, writing it off as an expense on income tax, and thereby forcing someone else to pick up the tab. He deplored the hypocrisy of adults who "guzzle booze, and then arrest kids for smoking a marijuana joint."

The Division of Mission presented a first-hand account of work in India, a specialised Chinese ministry in southern Ontario, and an assessment of the Bangladesh situation. The Division of Communications presented a multi-media feature built around "the cross."

The Rev. Wesley Oake of Minden, told conference that on a recent visit to Soviet Russia, he saw more honest-to-goodness Christianity behind the Iron Curtain than in Canada. The conference report carried an account of the work in Peterborough by the Rev. Sidney Bates in church for the dead.

Adding a sporting and fellowship touch, Belleville Presbytery won a volleyball trophy presented by President John Block for inter-presbytery competition.

Nelson - Shortt wedding

St. Michael's Church, Belleville, was the scene of a pretty wedding on Saturday, May 20, 1972 at 3 p.m. when Barbara Anne Shortt, daughter of Mr. and Mrs. Leon Shortt, 21 Rogers Drive, Stirling, became the bride of Gary Lloyd Nelson, son of Mr. and Mrs. Lloyd Nelson, R.R. #1, Frankford.

The ceremony was performed by Rev. J. MacGillivray with wedding music played by Dorothy Grant. Baskets of white gladioli and white pompons adorned the church.

Given in marriage by her father, the bride wore a floor length creation of imported Swiss tulle, with an empire bodice accented by full bishop sleeves. The wedding band collar was trimmed with fine lace and her gathered skirt was trimmed to match the bodice which had an all over jassy mou. She wore a wedding band headpiece with cathedral length veil. Her flowers were pink roses, baby's breath and mauve star flowers.

The matron of honor was Mrs. Patricia Houde and the bridesmaids were Gloria Rogers and Janet Hanoski while the flower girl was Marie Deroche, cousin of the bride.

They wore floor length gowns of pink, dotted Swiss, similar to

the bride's gown, with white accessories and carried white daisies, pink carnations and mauve star flowers. The flower girl carried a basket of similar flowers.

The groomsmen were Paul Houde of Trenton while the ushers were Jack Shortt, cousin of the bride, and Brian Hanoski.

At the reception, held at the Royal Canadian Legion Hall, Belleville, the bride's mother received the guests wearing a turquoise coat and dress ensemble with white accessories, and a corsage of pink and white carnations.

The mother of the groom wore a mauve and white coat and dress ensemble, with white accessories and a corsage of mauve and white carnations.

For a wedding trip to points east and the Northern U.S.A., the bride chose a white pleated dress with a navy and white knit bodice, with navy accessories, a pink coat, and a corsage of pink and white carnations.

Out of town guests were present from Toronto, Frankford, Peterborough, Stockdale, Buffalo N.Y., Calgary, Marmora, Oshawa and Picton.

Hastings West District Annual

Continued from last week
Mrs. Gerald Brooks of River Valley recently received a Canada Council 4-H Leadership Award for 10 years as a 4-H club leader.

In the tailoring course Mrs. Edison Sine was asked to display her suit which she had fashioned.

Mrs. Robert Burket conducted the Penitence for Friendship Ceremony. She had fashioned a chain of gold links across the A.C.W.W. World and displayed it on a bulletin board. The eight branches donated as follows:

Bay of Quinte, \$10.65; Chatterton, \$18.00; River Valley, \$23.30; Sidney South, \$9.92; Stirling, \$17.00; Pine Grove, \$9.00; Uniondale, \$22.50; and Wallbridge, \$11.78. Total donations amounted to \$123.15.

She read an article explaining how A.C.W.W. uses the pennies to spread assistance to vast numbers of people in many areas of the world. None of the pennies are spent in Canada.

The guest speaker, Mrs. Stanley Brice, Fordwick, Ont., gave a message using the theme of the day, Each one a Key Person. She stressed that his is a year of change as three convenerships have been renewed.

Page 67 in the new handbook gives a vivid picture of various ideas for program planning. In today's world the Institute is the only link that is holding our communities together. We are individual members all working together throughout Ontario.

The main theme is Know and Study Your Handbook.

There are varied programs of art and music. Natural resources, and consumer interests. Then too, know your organization branch, district, area, province.

RIVER VALLEY WOMEN'S INSTITUTE

At A.C.W.W. Open Day, Mrs. Aroti Duth gave this quotation from a Roman philosopher, "Why should we not all live in peace and harmony? We look up at the same stars, we are fellow passengers on the same planet and dwell beneath the same sky. What matters along which road each individual endeavours to find the ultimate truth? The riddle of existence is too great that there should be only one road leading to an answer."

Maniac drivers

The intelligence, or perhaps the lack of it, of those who seem to relish making excessive noise with their cars or motorcycles, is hard to comprehend.

It has long been a status symbol among young men when they were considered old enough both physically and mentally, to have the use of the family car to go on dates or otherwise have an evening of fun. Most young fellows yearned for the day they could abandon their bicycles and get behind the wheel of dad's car, first to learn how to drive it and then obtain permission to use it. Today that symbolism has more or less vanished, it seems, as nearly every young man, when he reaches the legal age, easily gets the use of dad's car, or perhaps buys one of his own. This sense of attaining the use has too often been accompanied by the lack of consideration for others.

Frequently at council meetings, there are brief discussions about certain young men of this area, who are known to all concerned, and the conduct that prevails, especially late Friday and Saturday nights, as they congregate and then cavort about the village. The main enjoyment of this group seems to be trying to make the most possible noise by squealing tires, or getting the cars to backfire. What is behind this behavior is difficult to determine, other than trying to outdo the other fellow.

One of the problems with trying to overcome this nuisance is that Stirling, like most communities of similar size, no longer has its own police force. For varying reasons, but principally economic ones, our law enforcement of all but local bylaws is left to the Ontario Provincial Police. Regardless of how promptly they arrive when called, they must be fortunate indeed to fulfill the law by being able to witness these escapades as everything returns to normal as soon as the balek and white car is spotted or the red light comes into view.

What these drivers fail to realize is that they are doing nothing to enhance their own reputations, whether they worry about that or not. What they are doing is making more and more enemies, as people see them carrying on their antics. Perhaps in the legal sense there is nothing individuals can do, but in the long run, opinions formed can carry a great weight.

If these young men have such a desire to show off their prowess with cars, why don't they join a stock car club and find out what real driving is all about. It takes more than the ability to spin tires to stay alive in that sport. There are numerous clubs and tracks in this area, and this is one reason they are flourishing. People with a desire to exhibit driving skills and related facets of motor fun can get together, compare notes, and in an organized way, see who can navigate the fastest and best.

As in every other facet of life, these people causing the disturbances are in the minority, and such is our social system that in order to protect the majority from injustice, minorities frequently are allowed to get away with things unacceptable to most. Perhaps what is needed more than anything else is a little parental discipline, if it is not already too late. Perhaps we need a visual vigilante group, whereby persons could be, in a responsible way, noted for their behavior and parents advised.

Anything today that smacks of law and order is usually considered unpopular, but surely the right of residents to live in relative peace and quiet is just as important as the right of others to have their fun. Somewhere in between, there should be a happy medium. All we need is some effort to find it.

Do You Remember?

25 Years Ago

Walter Anderson, well known resident of Glen Ross was found dead in his home Wednesday night by John Grills, a neighbour, who had called to pay him a visit. The late Mr. Anderson, who lived alone, had been in failing health for some time, and was 78 years of age.

Members of Cobourg I.O.O.F. Degree team paid a fraternal visit to Stirling Lodge No. 239, I.O.O.F., last night and conferred the first degree on several candidates. Following the impressive ceremony lunch was served and a social hour enjoyed.

While working on the C.N.R. section near Glen Ross, on Thursday last, Mr. G. A. Fox, of Anson, had the misfortune to have a rail drop on his left hand, fracturing three bones in the back of his hand. The injured member was placed in a cast and it will be several weeks before Mr. Fox will be able to resume his duties as section man.

The Baptist Church is undergoing repairs preparatory to the holding of regular service by Rev. W. H. Stevens, who has resumed the work on the Stirling and Hubble Hill. Covenant meeting will be held there on Saturday at 2 o'clock, sharp, and the Lord's Supper will be observed at the close of the preaching service on Sunday afternoon, which will be held at 2:30 o'clock. All are welcome.

A large congregation was present at St. Andrew's Church on Sunday night. During the service Miss Edith Conley rendered the solo "Crossing the Bar," with splendid effect. Possessed naturally of a voice of exceptional range and quality, Miss Conley is showing the advantage of having the splendid tuition she is now receiving in Toronto from Mr. R. S. Pigott, a recognized leader in Canadian musical circles. Her many friends in Stirling are deeply interested in her musical career, and wish her the success she so well deserves.

A lacrosse match between Trenton Juniors was played on the grounds here yesterday evening and resulted in a victory for Stirling by a score of six to three.

with Bill Dodds

Doing their own thing... Tell us, Don Beaulieu, what do you think of air pollution? "It's a gas."

Oh, well, why do you and your friend Gary O'Brien say all your classes at Stephen Leacock College are pollution classes? "Because all they teach us is garbage."

Terrible, isn't it? But these two incorrigible punsters from Scarborough can go on like this for hours. They even want to do it in front of people, because, all jokes aside, they care about pollution.

A lot of young people do, and they're showing their concern in a lot of ways.

Some of them, as classroom projects, take water samples upstream and downstream of sewage plants for comparison. Others, in rural schools make compost heaps, turning garbage and leaves into soil conditioner.

In Sudbury, an ingenious group of Grade 4 children interviewed their teachers to find out how far each one drove to school. They calculated the amount of gas and oil consumed by each teacher and posted the results in a graph outside the principal's office.

Then there's the Weston Collegiate student who set up his own air monitoring station to measure local air pollution levels.

The kids really have a sense for pollution and waste. The young ones are especially interested in the things they handle or see and in things like litter that they can do something about.

At the Ministry of the environment we have a parcel of letters from youngsters in a Scarborough public school.

One, writing about a trip to the supermarket, said: "They wrapped the meat, eggs and fruit in pieces of plastic, and then a piece of brown paper, then into a double bag. That is just a little example of excess packaging."

Another described his chocolate bar: "It comes with a small cardboard to sit on and wrapped in wax paper and has a fancy wrapper to attract the public's eye."

A Niagara-on-the-Lake boy wrote about a local creek: "The gunk and the grime that is poured into that water is unbearable. It doesn't even look like water any more, but like a creek full of shaving cream. I am not going to give up because I want not only others but myself to grow up healthy with clean water."

He and a group of friends waded into a local stream and cleared out all debris and accumulated garbage they could get their hands on. They found a silver dollar in the process and when they wrote, they offered to pay for any posters or pamphlets we could send them.

I told them to keep the money. We don't charge for information. They've earned it.

Edward's death ends love story

(By LYNN JONES)

During the past weekend, Royalty specifically and the world in general lost a man who epitomized the fact that personal choice can be put above all other considerations. We speak of course of the Duke of Windsor, who for 36 years lived abroad from his native land, by his own choosing, because he chose his bride and gave up his throne, when Parliament said he must. Admiring Edward, Duke of Windsor for this action, does not mean we feel divorce is a good thing. Neither is it altogether a bad thing. What mattered in this case, was that a man of the most expensive upbringing and who had instilled in him the word "duty" from the time he could comprehend it, ultimately decided he could not sit on the throne of England alone, and the woman he wanted to share it with him was ineligible under English canon law. The Anglican church bars remarriage of divorced persons, and considering that one of the participants in this case would be temporal head of the church on earth, it seemed improbable to allow such a condition to prevail.

How many men or women do you know today who have this type of devotion to any cause, be it personal, connected with their work, or a societal pursuit? Many may differ on the legal niceties involved in Edward's case, and what could or should have been resolved between him and the government of the day. We may also differ greatly on the wisdom of such a proposed choice at all, given the conditions. We must, however, I feel, take his decision as an example in such matters, as one that can be considered above reproach.

One of the aspersions cast at our society today is that one or two generations at present seem to care little for the values which were felt paramount in the first 50 years of this century. Young people growing up seem to care little for doing something because it's right. Indeed they are more apt to carry out some escape because it borders on the edge of the law, and while not maybe exactly punishable, is quite often designed to arouse the ire of elders at least, and maybe also the local gendarmes. Life in 1933 was not so complicated as it is today. In fact, the first Christmas broadcast of a reigning monarch to the Empire (as it was then) had been made by Edward's father only the previous Christmas. A survivor of what we would call the stern way of life, George V and Mary, nevertheless raised a fine family, and instilled in all the Royal duty as it was seen. No woman felt such a duty more than Queen Mary, and this was brought home to Edward when, coming to see him after George died, she bowed before speaking, as would any subject. She took the decision hard, and never once spoke to him after it was made. In her mind, it was the wrong thing to do, and I think she never really forgave him. Life was not the hustle and bustle it is today. There was little worry aside from personal problems, and perhaps a government crisis or two along the way. Hitler was on the rise to aggressive domination, but no one, save an unheeded Winston Churchill, seemed aware of it. Indeed, the dilemma into which the monarch's action plunged the nation, gave England all the news it needed for a time.

HOW TO TILE A FLOOR

1. Over existing wooden floors, fasten sheets of underlayment with ring-threaded flooring nails.

1A. Prepare wood floor by leveling, using sheets of plywood raised where needed by ring-threaded underlayment nails.

2. Ignoring alcoves, cupboards etc., find the centreline of your room area. Hammer a nail into the floor EXACTLY at each end of the centreline, leaving part of the nail above ground.

3. Rub a string with chalk and tie it to the nails, stretching it tightly between them. Lift the string and let it snap down against the floor to mark the centreline.

4. In the same manner, find and mark the correct right-angle centreline. When you finish you should have a chalked cross running from wall to wall through the centre of your room.

5. Apply adhesive according to directions on can, making sure you can still see the chalked lines.

6. Apply first line of tiles about six of them to start, along one side of the chalk line.

7. Repeat along the other side of the chalk line.

8. Then apply a line of about half a dozen tiles along each side of the chalk line at right angles to the first one.

9. Continue to the walls. Cut tiles according to manufacturer's instructions to fit along wall edges and around alcoves and cupboards.

McKeough speaker

Provincial Treasurer Darcy McKeough said this week that the people living in the Lake Ontario Region should recognize the need for a regional development plan for the area now, before the final recommendations stage.

The formation of a Lake Ontario Economic Region plan will get underway at an 11 a.m. public meeting this Thursday at the Rock Haven Motor Hotel, on highways 7 and 28 at the west city limits of Peterborough. Mr. McKeough will release the Province's development analysis for the Lake Ontario Region as the first stage in the planning process. The Region includes the eight counties of Durham, Haliburton, Hastings, Lennox and Addington, Northumberland, Peterborough, Prince Edward and Victoria.

Mr. McKeough said: "The plan will not be a series of vague concepts strung out into the future. It will be a framework for the provincial and local governments to set out and co-ordinate their priorities and policies in servicing the specific needs of the people in the Region."

Spring Brook UCW

Spring Brook United Church Women held their May meeting in the church basement with a good attendance. The roll call "Something My Mother Taught Me" was well responded to. The president, Mrs. M. Bateman, opened the meeting with a hearty welcome to all and after a brief business period asked Mrs. G. McFaul and her committee to take charge of the program. Spring flowers and the open Bible made up the worship centre. The worship service entitled, "The Responsibilities of Motherhood," was conducted by Mrs. G. McFaul, Mrs. W. Spencer, Mrs. C. Burkitt and Mrs. B. Storms. Mrs. M. Reid was in charge of a very informative and thought provoking Bible study on the most famous mother in the Bible, Mary, the mother of Jesus. Mrs. M. Bateman discussed a Bible mother named, Delilah, presented by Mrs. James Spry.

Mount Pleasant

(By Mrs. Percy MacMullen)
Mrs. Jim Milne, Oshawa, spent a few days over the weekend with her mother, Mrs. Leonard Sharpe.

On the weekend of May 20, while Milford Wrightman and sons were camping at Bark Lake, Allan caught several trout and one of the fish weighed 16 lbs.

On Saturday, May 27, Tom Demorest, Marmora, and his father were in charge of the lawn mowing at Hubble Hill Pioneer U.E.L. Cemetery.

On Thursday evening, May 25, 17 ladies from here were guests of Bethel U.C.W. Mrs. Jody Sager contributed a musical selection. Mrs. Robert Hoard voiced appreciative thanks on behalf of the church groups in attendance. Mr. and Mrs. Jack Wrightman, Trenton, and Mrs. Robert Creaney, Belleville, were recent guests of Mr. and Mrs. Milford Wrightman, the ladies enjoyed the bus trip to Ottawa.

MESSANGERS

The Messenger group convened in the church hall on Sunday morning, May 28.

Ian Hubel presided and opened with a hymn and prayer. Margaret Hoard was pianist. Michael Bailey read the scripture lesson. The offering was gathered by Darryl Chapman and Doug Jeffs. Mrs. Stanley Williams read a story entitled "The Contest," this was about a boy and his conscience.

Linda Hoard gave the treasurer's report and Isabel Hoard were in charge of roll call. Mrs. Williams conducted the business. Jill McAdam was in charge of the sing song along with Margaret Hoard. The primary study book was summarized by Mrs. Robert Hoard and the Junior book by Mrs. Ira David. The meeting closed with the benediction.

HORTICULTURAL SOCIETY MEMBERS TAKE BUS TRIP TO OTTAWA

On Tuesday, May 23, Stirling Horticultural Society chartered two buses and 74 people enjoyed a trip to Ottawa. The group from here included Mr. and Mrs. John Morgan, Mr. and Mrs. Walter Wrightman, Mrs. Milford Wrightman, Mrs. Percy MacMullen, Mrs. Allen Reid, Mrs. Irvine Potts, Ross Hoard, John Holmes and Clarence Hay.

Along the way the scenery was lovely. The various shades of green on the trees and shrubbery was intermingled with white blossoms of apples, wild plum and chokecherry. In many places the ground was covered with thousands of white trilliums.

Tulip time in Ottawa is the mecca for tourists and school children. The bulbs are an annual gift from the Netherlands in appreciation of Queen Juliana's war time stay. The drive along the Rideau canal showed a large array of colorful tulips. Many folk were relaxing on the various benches placed in various spots for enjoyment.

At the Experimental Farm guests were on hand to give a description of the special gardens. The Crab trees with their pink blossoms and the apple trees in white were beautiful. The various floral arrangements of red, yellow and white tulips were exceptionally lovely.

At noon the group enjoyed their own box lunch in the Ottawa Park. The group was offered a choice of things to see in the afternoon, others went shopping and most of the folk visited the Parliament buildings.

The guide gave a very descriptive account of how Queen Victoria chose Ottawa as the capital in 1857 and outlined the architectural entrance. In Confederation Hall the guide gave a glimpse of Canadian History. The House of Commons chamber showed where legislation is carried on and the chamber ceiling is of Irish linen. In the speakers corridor, portraits of various former speakers are hung. The

Library contains 250,000 volumes and a valuable newspaper collection.

The Senate Red chamber had a draped red velvet canopy over the throne chair.

At the close of the story by the guide several folk journeyed up the steps to the peace tower where they had a magnificent view of Ottawa.

The last visit was to the National Museum of Science and Technology. This was a most interesting building which displayed steam locomotives, gramophones, a McLaughlin buggy, and dozens of scientific items. The last stop was at the Miss Westgate plaza for supper and then the trip back home to complete an enjoyable day.

Stamp Day held at Madoc

By ALLEN REID

A Stamp Day was held at Centre Hastings Secondary School, Madoc, on Tuesday, May 16. Seven representatives from Castleton Junior Stamp Club were present.

Although classes in the school had studied recent Canadian commemorative stamps the students were very interested in the various displays shown by the club.

These displays included hidden dates, seen with a microscope, (used to avoid forgery on stamps); collages made using stamps; stamp pages shown by the club, stamps from many countries of the world; imperfections in stamps; three dimensional stamps from Bhutan; display of English stamps, England was the first country to provide stamps; bilingual stamps, Canada and South Africa; and a scrapbook containing a newspaper article on stamps.

The entire school population was permitted to view the exhibit during two lunch hours. About fifty public school stamp enthusiasts also saw the displays. The special education classes were hosts of the group. During class time the special education classes interviewed the guests by helped them to be organized individuals.

Club members who showed their work and gave explanations were, Stewart Sweeney, Cathy Sweeney, Cathy Inglis, Mark Benvenete and Richard McKague.

The welcome and thank you was given by Geraldine Woodcock and Craig Reid.

The leaders who accompanied the stamp club were Mrs. Eric McKague, Mrs. B. Benvenete and J. C. McKague.
